- Distinguished Research Award
- Early Career Distinguished Research Award
- Outstanding Undergraduate Research Mentor of the Year
- Distinguished Teaching Awards (four distinct awards)

- Lee Entsminger Outstanding Ph.D. Dissertation Award

A short description of each award is attached. Each award includes a monetary stipend. Nominations are limited to one per Department for each award. **The deadline for the Chair to submit nominations to the College is March 15, 2022.**

The [College website](#) lists the awards and the two most recent winners. We will also make available to the Chairs a list of winners that goes back further in time. I would really love to see one nomination per department for each award this year. Please take the time to honor your colleagues for their accomplishments.

Best Regards,
Gail
