DEPARTMENT CHAIR ADDRESS
DR. ED NEUKRUG

THANK YOU FOR YOUR SERVICE.

DEAR STUDENTS, ALUMNI, STAFF, AND FACULTY OF CHS:

HAVING BEEN CHAIR FOR THE PAST FOUR YEARS, AND SEVEN YEARS PRIOR A WHILE BACK, I AM MORE THAN READY TO STEP DOWN. HOWEVER, THERE ARE MANY THINGS I WILL MISS, AND MANY THANK YOU' S TO GIVE.

SOON AFTER I STEPPED IN AS CHAIR, MY WIFE AND I SEPARATED. IT WAS A HORRIBLE TIME IN MY LIFE, AND I WANT TO THANK ALL THE FACULTY WHO WERE HERE AT THE TIME, AS EVERY ONE OF THEM WAS EMPATHIC AND SYMPATHETIC. I REALIZED, THEN, THAT I TRULY WORKED IN A "COUNSELING" AND "HUMAN SERVICES" DEPARTMENT. THANK YOU ALL FOR YOUR SUPPORT.

I WANT TO THANK ALL THE NEWER FACULTY. WITHOUT EXCEPTION, YOU HAVE BEEN WONDERFUL, HARD-WORKING, AND RESPONSIVE TO THE DEPARTMENT NEEDS. THANK YOU SO MUCH!

I'D LIKE TO THANK ALL OF THE GRADUATE ASSISTANTS THAT HAVE WORKED IN THE MAIN OFFICE INCLUDING MATT, KEVIN, ALEX, STEPHANIE, ANNA, JALAIA, JASMINE, VICTORIA, AND OTHERS. YOU HAVE BEEN UNBELIEVABLE, AND SO RESPONSIVE TO THE WORK THAT NEEDS TO BE COMPLETED. THANK YOU....

I'D ALSO LIKE TO THANK THE MANY GRAD ASSISTANTS AND GRAD STUDENTS I HAVE WORKED WITH WHO HAVE ASSISTED ME WITH RESEARCH, WRITING, PRESENTATIONS, AND OTHER ACTIVITIES. YOU HAVE BEEN TERRIFIC.

I WANT TO THANK EMILY AND JENN FOR ASSISTING ME IN THIS JOB. IT'S A GREAT JOB SOMETIMES, BUT OTHER TIMES IT'S TIME CONSUMING, ANXIETY PROVOKING, AND OVERWHELMING. THANK YOU FOR TAKING ON THE JOB OF ASSISTANT CHAIR.

A SPECIAL THANKS GOES TO ASH AND DARRELLA. THIS JOB COULD NEVER BE DONE WITHOUT YOU. THE BEHIND THE SCENES WORK THEY DO IS JUST BEYOND BELIEF. THEY DO SO MUCH, FOR SO LITTLE COMPENSATION. I HOPE EVERYONE KNOWS HOW HARD THEY WORK. THANK YOU BOTH.

I'D LIKE TO THANK ALL THE FACULTY WHO STEP UP AND VOLUNTEER FOR EXTRA ASSIGNMENTS. I KNOW OUR LIVES OUR ALL-CONSUMING WITH OUR WORK, AND I SO APPRECIATE THOSE WHO ARE WILLING TO DO A BIT EXTRA IN THE JOB. I'D PARTICULARLY LIKE TO THANK THOSE WHO HAVE TAKEN ON THE DIRECTOR AND COORDINATOR ROLES. THESE ROLES CAN BE VERY TAXING, AND I SO APPRECIATE YOU STEPPING UP.

AND OF COURSE, I WOULD LIKE TO THANK ALL OUR STUDENTS. I LEARN FROM YOU ALL THE TIME. YOUR FEEDBACK IS ALWAYS CRITICAL, NOT ALWAYS WANTED, BUT ALWAYS LISTENED TO. AND YOU HELPED ME REFINE MY COMEDY ROUTINES (I'M ABOUT TO DO A STAND-UP COMEDY ROUTINE AND COULDN'T HAVE DONE IT IF I HADN'T STOOD UP IN CLASS AND TRIED OUT SOME OF MY STORIES AND "BITS"). AND, FOR THOSE FEW OF YOU WHO HAVE NOT CONNECTED WITH ME ON A PERSONAL LEVEL, PLEASE KNOW, I AM ALWAYS HERE TO TALK...

I'M SO PLEASED THAT DR. REHFUSS WILL BE TAKING OVER AS CHAIR. I HAVE KNOWN HIM FOR A LONG TIME, HE IS ALWAYS THOUGHTFUL, EVEN—TEMPERED, FAIR, AND ON TOP OF THINGS. HE'LL BE GREAT. PLEASE LEND HIM YOUR SUPPORT AS HE TRANSITIONS TO THIS NEW POSITION.

WITH PEACE AND LOVE...
ED NEUKRUG

THE GRADUATE ASSISTANT SPOTLIGHT

YOUR EFFORTS DON'T GO UNNOTICED.

JASMINE GRIFFITH

Jasmine is a responsive, responsible and supportive Graduate Teaching Assistant (GTA). She consistently demonstrates initiative and has played a crucial role in co-creating an engaging and collaborative teaching and learning environment.

Jasmine has been a source of endless motivation and inspiration to our new master's students. While in the midst of juggling all things 2nd doctoral year, she has persevered and has been a joy to work with!

DANIELLE RODGERS

Dani is an intuitive, grounded, and innovative Graduate Teaching Assistant (GTA). She consistently demonstrates creativity, and has played a key role in co-creating effective and user-friendly co-learning and teaching systems for our learners.

As a first year doctoral student, Dani exhibits endless ambition in all her pursuits. She has been a fantastic graduate assistant and research team member. She knows her limits, but will never stop trying to exceed them.

NARGIZA AMIROVA

Nargiza's personability, genuineness, and compassion radiate in her enthusiasm as a graduate assistant! Nargiza demonstrates an aptitude for connecting with learners and is phenomenal in finding exceptional resources to enrich in-class instruction. Nargiza's caring, soothing, and gentle disposition is a favorite among learners when facilitating mindfulness activities. Further, Nargiza is impressively proactive in seeking formative feedback and consistently modeling a zest for growing as a future counselor educator. Nargiza remains a tremendous, supportive presence in our department! Thank you, Nargiza!

I would like to 'shout out' my doctoral student GA Nargiza Amirova. This is our second semester working together and she has been amazing. With balancing a doctoral program, moving to a new area, making new connections, and being a GA to 3 professors – she handles it all with a smile on her face.

TOM SEGUIN

Tom is my GA for clinical coordination. Tom is reliable, collegial, and extremely competent; we all rely on and benefit from his skill and care for helping others navigating practicum and internship.

CASS GAGNE

My Undergraduate Teaching Assistant (UTA) is Cass Gagne. She is the only undergraduate in our program doing this. She is a dual major: psychology and human services. She has done a great job with my HMSV 346 Diversity Issues in Human Services class.

ZÜBEYDE AKPAKIR

Zübeyde Akpakir did an amazing job as my HMSV Lecturer Search Committee GA and as a highly valued member of our search committee. Shortly after arriving in the U.S., Zübeyde immediately jumped in and began sending out letters to recruit applicants in this national search. She also communicated with applicants regarding scheduling and congenially escorted each candidate to their numerous interview activities and meetings during their full-day campus interviews. In addition, Zübeyde demonstrated her impressive technological expertise by transforming our previous paper-and-pencil Candidate Feedback Form into our first online evaluation form to use for the candidates' on-campus interviews. This made collecting comments so much easier for everyone! Finally, if all of the above weren't enough, Zübeyde also compiled the copious information gathered from the online evaluations into both an Excel spreadsheet and a Word document to facilitate the committee's post-interview discussions. Throughout the entire process, she actively participated in search committee deliberations and proactively volunteered to do tasks without even being asked. Many, many thanks to Zübeyde for being such an extraordinary assistant and committee member!

DR. SMITH-DURKIN IS ONE OF THE BEST INSTRUCTORS IN THIS PROGRAM! I BELIEVE HER BEING A FORMER STUDENT OF THE PROGRAM HELPS US AS STUDENTS TREMENDOUSLY. SHE WAS A VERY UNDERSTANDING PROFESSOR BUT WAS NOT AFRAID TO GIVE A LITTLE PUSH BACK IF NEEDED! SHE CONSTANTLY MADE YOU FEEL SUPPORTED ABOUT IMPOSTER SYNDROME AND PUSHED US TO MAKE US BETTER STUDENTS. I WILL BE FIRST ON THE LIST TO REGISTER FOR HER CLASSES.

I TRULY MEAN IT WHEN I SAY THERE IS NOT A SINGLE MORE TALENTED PROFESSOR WHEN IT COMES TO MAKING A CLASSROOM FEEL SAFE FOR PARTICIPATION, FUN, COMFORTABLE, AND INTERESTING DESPITE THERE BEING 25+ OF US! I NEVER WOULD HAVE KNOWN SHE WAS A RECENT GRADUATE OF HER PROGRAM AS SHE COMES ACROSS AS INCREDIBLY COMFORTABLE AT THE FRONT OF THE CLASSROOM AND WILDLY KNOWLEDGEABLE. ODU IS SO LUCKY TO HAVE SUCH AN INCREDIBLE PROFESSOR AND I FEEL LUCKY TO HAVE HAD HER! I CAN'T WAIT TO BE BACK IN HER CLASSROOM AGAIN SOON.

THE FACULTY SPOTLIGHT!

WHAT DO THE STUDENTS HAVE TO SAY?

DR. BRITTANY SUGGS

DR. SUGGS IS ONE OF THE FRIENDLIEST PROFESSORS THAT I HAVE MET SO FAR. I LOVE THAT SHE ACTS AS YOUR BIGGEST CHEERLEADER AND SUPPORTER AS YOU NAVIGATE GRAD SCHOOL.

DR. SUGGS IS A MASTERFUL PRESENTER. AT THE 2023 VACES CONFERENCE, SHE PROVIDED ENCOURAGEMENT, FELLOWSHIP, AND PRACTICAL GUIDANCE TO STUDENT PRESENTERS. SHE HAS A BROAD SCOPE OF THE COUNSELING FIELD, IS A LEADER IN PROFESSIONAL ORGANIZATIONS, AND IS HELD IN HIGH ESTEEM BY HER COLLEAGUES AND STUDENTS. I AM GRATEFUL TO HER FOR ENTHUSIASTICALLY MODELING HOW TO NETWORK; IT WAS INSPIRING AND SCAFFOLDING AT MY STAGE OF DEVELOPMENT, LEADING ME TO BEGIN CONSIDERING HOW TO TRANSITION FROM COUNSELING STUDENT/INTERN TO PROFESSIONAL.

DR. SUGGS CARES SO MUCH ABOUT ALL OF HER STUDENTS. SHE TAKES HER TIME IN GIVING DETAILED FEEDBACK FOR ALL ASSIGNED COURSE WORK. SHE GOES THE EXTRA MILE TO ENSURE THAT HER STUDENTS UNDERSTAND THERAPEUTIC CONCEPTS. I WILL ALWAYS TAKE HER CLASSES WHEN SHE IS OFFERED.

DR. SUGGS WAS MY FIRST INTRODUCTION INTO THE ODU COUNSELING PROGRAM AND I KNEW I MADE THE RIGHT DECISION TO ATTEND. SHE IS A WONDERFUL INSTRUCTOR AND FOSTERS THE BEST ENVIRONMENT FOR PARTICIPATION AND LEARNING. HER DIRECT AND CLEAR INSTRUCTIONS/TEACHING STYLE IS AWESOME AND HELPS MANY STUDENTS WITH THEIR LEARNING. I ALWAYS FEEL SUPPORTED BY DR. SUGGS. I WANT TO TAKE AS MANY CLASSES AS POSSIBLE WITH DR. SUGGS!

DR. SUGGS IS THOROUGH, CARING, ORGANIZED, AND EXTREMELY OBSERVANT! SHE FOSTERS SUCH A UNIQUE CLASSROOM ENVIRONMENT THAT BALANCES INTERACTIVE LEARNING, LECTURE, AND USEFUL PARTICIPATION. SHE IS ALWAYS OPEN FOR QUESTIONS AND WILL GO ABOVE AND BEYOND TO ANSWER ANY THAT YOU HAVE. SHE TRULY CARES FOR HER STUDENTS AND WANTS US ALL TO NOT ONLY SUCCEED BUT THRIVE BOTH PROFESSIONALLY AND OTHERWISE.

DR. SHUNTAY TARVER

SHE IS A GOOD, GOOD PROFESSOR.

DR. TARVER IS AN AMAZING PROFESSOR AND IS PHENOMENAL AT TEACHING DIVERSITY!

PROFESSOR TARVER IS A GREAT PROFESSOR. SHE DOES A WONDERFUL JOB AT KEEPING STUDENTS ENGAGED AND INTERESTED WITH COURSE TOPICS.

SHOULD I EVER BECOME AN INCREDIBLE HELPING PROFESSIONAL, I WILL OWE IT TO DR. TARVER. SHE IS NOT A 'LET'S JUST SCRATCH THE SURFACE' PROFESSOR - SHE TEACHES HOW TO "SEE" PEOPLE AS SHE DEMONSTRATES IT - IN HER CLASSES, IN HER LIFE. MY LIMITED LIFE TRAJECTORY WAS IMPACTED, SHIFTED, AND BROADENED BY HER JUST BEING HERSELF! WHEN I THINK ABOUT "EQUITY," THERE IS NO BETTER EXAMPLE THAN DR. TARVER. SHE IS NOT ONLY AN INCREDIBLE PROFESSIONAL BUT AN INCREDIBLE HUMAN BEING!

MS. DARRELLA WILSON

DARRELLA HAS ALWAYS BEEN TIMELY IN HER RESPONSES. SHE IS HELPFUL AND PLAYS AN INSTRUMENTAL ROLE IN KEEPING THINGS ON TRACK!

THANK GOD FOR DARRELLA. IF SHE IS NOT RUNNING AROUND THE OFFICE COMPLETING ALL THE TASKS, SHE IS A SMILING FACE AND A JOYFUL PRESENCE. THANK YOU FOR ALL YOU DO FOR OUR DEPARTMENT!

IF YOU LOOK UP "PHILANTHROPIST" IN THE DICTIONARY, IT WILL NOT SHOW DARRELLA'S PICTURE BECAUSE THAT'S NOT HOW DICTIONARIES WORK - IT WILL HOWEVER HAVE HER NAME IN ALL CAPS AND GO ON TO DESCRIBE ALL SHE DOES FOR SO MANY OTHERS, POINTING OUT THAT SHE DOES EVERYTHING WITH SUCH A GIVING ATTITUDE. THE WORLD WOULD BE A BETTER PLACE IF WE ALL HAD A LITTLE BIT OF WHAT SHE'S GOT! :)

WHAT DOES DARRELLA NOT DO?! THANK YOU FOR EVERYTHING!

DR. WINFIELD IS A REMARKABLE PROFESSOR. NOT ONLY DOES SHE GIVE EXCELLENT LECTURES THAT ALLOW STUDENTS TO TRULY FEEL LIKE THEY HAVE LEARNED SOMETHING NEW, BUT SHE ALSO PROVIDES REAL WORLD EXAMPLES THAT HELP STUDENTS FEEL MORE CONFIDENT WHEN GOING INTO THE FIELD.

ASSISTANT DEAN FOR STUDENT AFFAIRS & ENGAGEMENT
DARDEN COLLEGE OF EDUCATION AND PROFESSIONAL STUDIES

"Ms. Simmons has been a faculty member within the Department of Counseling and Human Services for six years and holds the rank of Senior Lecturer. She has served as both the Assistant Chair and the Undergraduate Program Director. She is an active member of the university, having served on a multitude of university, college, and departmental level committees. Prior to joining the ODU community, Ms. Simmons served as a non-profit program director with proven leadership and administrative skills in agency management, policy and procedure development, budget management, grant writing and reporting, program evaluation, advocacy, and client empowerment.

As an educator, Ms. Simmons taught and lead a nationally recognized undergraduate program. She is an active instructor having taught 80% of the human services courses, averaging 150 to 250 students per year, with high student opinion scores and qualitative feedback that spoke to her passion, enthusiasm, and supportive nature.

As Assistant Chair and UPD, Ms. Simmons has effectively led the department in developing and implementing several goals with a focus on innovative and creative programming for student recruitment, enrollment, and retention. She has led efforts resulting in the redesign of a certificate in addiction prevention and treatment, development of four double majors, management and creation of in-state and out-of-state articulation agreements, accelerated curriculum pathways for transfer students, an undergraduate research committee with connection to the LeADERS program, and departmental honors and research funding opportunities for students. Her focus in each of these endeavors has been on eliminating barriers and providing equitable opportunities for both campus and online learners. At the departmental level Ms. Simmons implemented several automated systems to streamline fiscal processes and procedures.

In addition, with an inter-disciplinary and inter-professional lens, Ms. Simmons is active in the management of several training grants where students are reimbursed during their internship experience. She has developed strong relationships with community stakeholders, agency partners, and national leaders and has worked with a number of department heads and administrators across the college and university. These experiences make her exceptionally positioned to innovate approaches to enhancing our student experiences, community engagement, and further promote the DCEPS' reputation of excellence."

2023 ACA FELLOWS AWARD

The ACA Fellow is an award given to individuals for work throughout their career, almost like a lifetime achievement award, and spanning several areas of work: counseling, research, teaching, service/leadership, and so forth. To my knowledge, this is the highest honor given from the American Counseling Association, the flagship counseling organization, with approximately 55,000 members internationally. Each year, a cohort of ACA Fellows is selected, and I'm honored and grateful to be in the 2023 cohort: 5 of us were selected. I see this honor as a means to highlight not only my work in the field, but to continue to advocate for the school counseling profession— the work done everyday in our K-12 schools by so many incredible school counselors—and those on the front lines of research, supervising, teaching, and leading the school counseling profession. I see this ACA 2023 Fellowship as a way to support the field of school counseling, as we continue to push for more equitable and just educational systems, to serve all K-12 students, families, communities—and our greater world.

NEW COURSE ALERT...

INTEGRATED BEHAVIORAL HEALTHCARE

NIC SCHMOYER & DR. LAUREN ROBINS

Integrated Behavioral Health (IBH) is a model of healthcare that emphasizes active collaboration between medical and behavioral health professionals towards biopsychosocial wellness. Behavioral health researchers have identified various benefits of IBH, including improved patient outcomes (Schmit et al., 2018; Ulupinar et al., 2021), attention to comorbid physical and behavioral health concerns (Vogel et al., 2017), and a reduction of total healthcare costs (Hunter et al., 2018; Peterson et al., 2017; Wells et al., 2018). Despite the various benefits of IBH, numerous researchers have identified the importance of intentionally preparing clinicians for the nuances of clinical practice in integrated care settings (Asempapa, 2019; Dice et al., 2022; Glueck, 2015; Vogel et al., 2014). Numerous healthcare settings in the Hampton Roads area can be conceptualized as an IBH setting, such as Chesapeake Regional Medical Center, EVMS, CHKD, and Sentara. Additionally, a significant portion of current counseling MSEd and PhD students complete their supervised clinical experiences within these settings, while a number of graduates from the counseling program have started their counseling careers in these settings.

To attend to the evolving field of healthcare and the needs of our students in our CHS graduate programs, the counseling program is excited to offer a new elective in the Summer of 2023 – COUN 695: Counseling Perspectives in Integrated Behavioral Health. This is a hybrid virtual class with both synchronous and asynchronous meetings spanning the full summer semester. This course was developed by Nic Schmoyer, a 2nd year PhD student, in collaboration with various experts in counseling and IBH, and will be delivered by Nic and Dr. Lauren Robins. This course is separated into three broad modules with the goal of providing students with a comprehensive introduction to the various skills, knowledge, and professional dispositions needed for competent practice in IBH settings – 1) Counselors in Integrated Behavioral Health; 2) Psychosocial Dimensions of Medical Conditions; and 3) Evidence-Based Treatments in Integrated Behavioral Health. By the end of the semester, it is the goal that students will be able to better conceptualize the roles of counselors in IBH settings, recognize the bidirectional relationship between medical and psychosocial concerns, and create comprehensive case conceptualizations and treatment plans grounded in evidence-based treatment approaches within IBH settings.

We are excited to introduce this course to the counseling program and students in summer 2023. If you are interested in learning more about this course, you are encouraged to reach out to Nic Schmoyer (nschm005@odu.edu) and Dr. Lauren Robins (lrobins@odu.edu).
