

# Old Dominion University Adjunct Faculty Approval & Employment Authorization Form

## Instructions

Adjunct faculty may be appointed for up to a three year term of approval. Departments are encouraged to do so in order to reduce administrative paperwork. However, this approval period is not intended to imply a guarantee of employment for the entire approved term. It only indicates the faculty member is eligible for part-time employment any time during the approved term. A copy of the Adjunct Faculty Approval/Employment Authorization Form will be sent to Human Resources to create a payroll record for those designated as being paid in the Payroll Status section. Departments still must complete the On & Off Campus and Non-Credit, Part-time Faculty and Overload Payroll Form to execute payments to the adjunct faculty member. All newly hired employees are required under Federal law to complete an Employment Eligibility Verification form (I-9 form) within 3 days of commencing employment. Failure to complete the I-9 form by the deadline will result in a delay of the first paycheck. Human Resources requires a copy of the adjunct faculty member's Social Security Card be attached to the appointment form. In addition, federal and state tax withholding forms, Direct Deposit Form, Internet Usage Form, the Commonwealth's Policy on Alcohol and Other Drugs form, Conflict of Interest form, Elected Official Disclosure form and the Child Support Disclosure and Authorization form must also be completed. Males must complete the Verification of Registration for Selective Service form. All of the before mentioned forms are available on the Department of Human Resources website. A new Adjunct Faculty Approval/Employment Authorization Form should be completed if a faculty member changes from an unpaid status to a paid status. **Failure to provide original transcripts and/or other credentialing information can result in termination of the Employment Contract.**

## Academic And Professional Preparation Requirements

Old Dominion University's academic and professional preparation requirements for part-time faculty conform to the criteria established by the Commission on Colleges of the Southern Association of Colleges and Schools. The following policy guidance is based on the relevant sections from the Commission's Principles of Accreditation: Foundations for Quality Enhancement and defines the University's policy and procedure with regard to part-time faculty:

- ◆ Faculty teaching general education courses at the undergraduate level: doctoral or master's degree in the teaching discipline or master's degree with a concentration in the teaching discipline (a minimum of 18 graduate semester hours in the teaching discipline).
- ◆ Faculty teaching baccalaureate courses: doctoral or master's degree in the teaching discipline or master's degree with a concentration in the teaching discipline (minimum of 18 graduate semester hours in the teaching discipline). At least 25 percent of the discipline course hours in each undergraduate major are taught by faculty members holding the terminal degree—usually the earned doctorate—in the discipline.
- ◆ Faculty teaching graduate and post-baccalaureate course work: earned doctorate/terminal degree in the teaching discipline or a related discipline.
- ◆ Graduate teaching assistants: master's in the teaching discipline or 18 graduate semester hours in the teaching discipline, direct supervision by a faculty member experienced in the teaching discipline, regular in-service training, and planned and periodic evaluations.

Original documentation including official transcripts, current CV, & other applicable documentation must be provided with the Adjunct Faculty/Employment Authorization Form to the Office of Institutional Effectiveness and Assessment. Failure to provide these documents may result in adjustment of appointment term.
