Institute of Humanities Advising Worksheet: Individualized Track

Name: ___________________________ Phone: ___________________________

UIN: ___________________________ Email: ___________________________

Accelerated Program (Y/N): _______ If so, in which Discipline: ___________________________

Year & Semester Admitted: ___________

Core Courses Taken: HUM 601 (semester/year): __________
HUM 602 (semester/year): __________
HUM 603 (semester/year): __________
HUM 604 (semester/year): __________
HUM 692 (semester/year): __________
HUM 693 non-Thesis Project (semester/year): ______ OR
HUM 698/699 Thesis (semester/year): __________

• Projected Thesis or non-Thesis Project Title or Topic:
  __________________________________________________________________________

Research Area/Plan of Study (please explain):

________________________________________________________________________________________

List classes taken (number and title); Explain relevance to plan of study

1. ____________________________________________________________________________________
   ____________________________________________________________________________________

2. ____________________________________________________________________________________
   ____________________________________________________________________________________

3. ____________________________________________________________________________________
   ____________________________________________________________________________________

4. ____________________________________________________________________________________
   ____________________________________________________________________________________

5. ____________________________________________________________________________________
   ____________________________________________________________________________________
Reminders:
• Graduate students are only allowed 12 hours (4 classes) at 500-level.
• By taking 18 hours in one discipline, graduate students will have the ability to teach in that area at the college level.
• There is no thesis option for students in the Accelerated program.

Notes:
