The International Test and Evaluation Association—Hampton Roads Chapter will provide a $2,000 scholarship award to an undergraduate engineering intended student who selects Modeling and Simulation Engineering as his/her major at ODU.

The scholarship will be awarded in the fall 2017 semester ($1,000) and spring 2018 semester ($1,000) towards payment of tuition and fees. The recipient must be enrolled full-time (i.e., at least 12 credit hours), and be in good academic standing at the University. The recipient must also declare Modeling and Simulation Engineering as his/her major and enroll in MSIM 201 in fall 2017.

To apply, students should follow the directions outlined on this flyer. All materials must be submitted electronically by April 14, 2017.

The recipient will be notified in writing and the award will be credited to the student’s account upon successfully enrolling in the fall semester.

For more information on the BS in Modeling and Simulation Engineering, please visit: http://www.odu.edu/msve

Requirements:

1. Essay explaining “Why do I wish to major in Modeling and Simulation Engineering?” (no more than 500 words);

2. Personal resume to include positions, outstanding awards, presentations, publications (if any), and leadership capabilities;

3. OPTIONAL BUT STRONGLY RECOMMENDED—Two letters of recommendation from faculty members (at least one from a math, science or engineering discipline—preferably an MSVE Faculty member)

Eligibility Requirements:

1. Must be an “engineering intended” student at ODU at the time of application or a declared modeling and simulation engineering major.
2. Submit a complete application package by the deadline (see below). Incomplete packages will not be considered.
3. Current freshmen students are strongly encouraged to apply.

Deadline for Submission:

April 14, 2017

How to Apply:

Submit all of the above items in an electronic format in one email to the Department of Modeling, Simulation and Visualization Engineering. The e-mail should be addressed to msve@odu.edu.

For more information, please contact the Department of Modeling, Simulation and Visualization Engineering at (757) 683-3720 or e-mail msve@odu.edu
