The Industry Association of the Virginia Modeling, Analysis and Simulation Center (VMASC) will provide a $5,000 scholarship award to an undergraduate engineering student who selects Modeling, Simulation & Visualization Engineering as his/her major at ODU and is enrolled in MSIM 201 in the fall of 2016.

The scholarship will be awarded in the spring 2017 semester towards payment of tuition and fees. The recipient must be enrolled full-time (i.e., at least 12 credit hours), and be in good academic standing at the University.

To apply, students should follow the directions outlined on this flyer. All materials must be submitted electronically by December 9, 2016.

The recipient will be notified in writing and the award will be credited to the student’s account.

Requirements:
1. Essay explaining “Why do I wish to major in Modeling, Simulation & Visualization Engineering?” (no more than 500 words);
2. Personal resume to include positions, outstanding awards, presentations, publications (if any), and leadership capabilities;
3. Transcripts (unofficial copies are acceptable) from all previous colleges and universities attended;
4. OPTIONAL BUT STRONGLY RECOMMENDED—Two letters of recommendation from faculty members (at least one from a math, science or engineering discipline—preferably an MSVE Faculty member)

Eligibility Requirements:
1. Must be a declared Modeling, Simulation & Visualization Engineering student at ODU at the time of application;
2. Submit a complete application package by the deadline (see below). Incomplete packages will not be considered.

Deadline for Submission:
Friday, December 9, 2016

How to Apply:
Submit all of the above items in an electronic format in one e-mail to the Department of Modeling, Simulation and Visualization Engineering. The e-mail should be addressed to msve@odu.edu.
