UPPER DIVISION GENERAL EDUCATION
Satisfied through the professional education sequence.
Admission. Students wanting to be admitted to the teacher education program must have a 2.75 grade point average in the major and overall, with no grade less than a C in the content area and C- in the professional education core, and have passed PRAXIS I or achieved State Board of Education-approved SAT or ACT scores. Although students may enroll in a limited number of education courses, passing PRAXIS I or approved equivalent test scores must be on file with the Office of Teacher Education Services and Advising prior to enrollment in any education practicum course or courses in developing instructional strategies. It is recommended that students take the PRAXIS I exam prior to, or during, enrollment in ECI 301.

Continuance. Students must maintain a general grade point average of 2.75 in the academic major and complete all degree requirements for the major with no grade less than C and the professional education core with no grade less than a C- for continuance in the College of Education. In order to obtain a Virginia teaching license, all teacher education students must attain passing scores on the appropriate PRAXIS II specialty area tests. A list of the passing scores established by the Virginia Department of Education is available on the Virginia Department of Education web site or from the Office of Teacher Education Services and Advising, Education Building 152. The PRAXIS II Art Content Examination must be passed before the candidate may begin the teacher internship. Passing PRAXIS II scores must be on file in the Office of Teacher Education Services and Advising prior to student teaching.

Graduation. Requirements for graduation include passage of the Exit Examination of Writing Proficiency; completion of the Senior Assessment; a minimum of 2.75 grade point average overall, in the major and in the professional educational core with no grade less than C in the major and C- in the professional education core; and completion of a minimum of 123 credit hours.

Due to changing University requirements, national accreditation standards, and Commonwealth licensure regulations, the teacher preparation programs in the College of Arts and Letters are under constant revision. Any changes resulting from these factors supersede the program requirements found on this curriculum sheet. Students should obtain current program information from their academic advisors and the Darden College of Education website at www.education.odu.edu

Art Education Licensure Only
Candidates who have already earned an undergraduate degree in studio art or art history may seek licensure only. Information on applying for licensure can be obtained from the Darden College of Education or the art education program director. A minimum of 36 hours of art and professional courses (including student teaching) from Old Dominion University is required. Before registering for classes candidates must present a portfolio for review by the art education director. The director will determine which transferable courses will meet the cognate program requirements and which art and professional courses must be completed for licensure. A minimum cumulative grade point average of 2.75 is required for continuance and licensure.
