Enrollment, Retention, and Graduation Rates
Notes: Headcount trends track progression. The trend comparisons provide insight for the likelihood of meeting goals.
Notes: The Enrollment Key Performance Indicator (KPI) goal submitted to the State Council of Higher Education in Virginia (SCHEV) was to increase FTE by 1%. Fall 2013 to 2014 FTE increased by 1%, meeting the goal.

**Notes:** As required by the State Council of Higher Education in Virginia (SCHEV) and the Virginia Higher Education Restructuring Act, ODU must measure and report the percentage of accounts receivables more than 120 days past due, the percentage of payments in compliance with the Prompt Payment Act and the default rate on Perkins Loans. To be in compliance, the four-quarter average of past due Accounts Receivables must be below 10%, the annual average Prompt Payment percentage must be above 95%, and the Perkins Loan default rate cannot exceed 20% of all loan borrowers. For the current reporting period, ODU is in compliance in each of these categories.

The $2.2M variance in E&G funds reflects the 2% budget reduction following the Board’s approval of the Operating Budget at its meeting in September.

**Notes:** As required by the Board of Visitors Bylaws, the President or designee shall report to the Administration and Finance Committee any budget changes of $250,000 or more.
SWaM Performance

Measured as a Percent of Discretionary Spend

Notes: Under the Virginia Higher Education Restructuring Act in 2009, institutions were required to receive Board of Visitors approval of annual expenditure goals with Small, Woman-Owned and Minority (SWaM) businesses as a prerequisite to attain the initial Level II Authority. The BOV approved the following SWaM goals for FY15: Minority-owned businesses 8%, Woman-owned businesses 6.5%, Small businesses 33%, and Total SWaM 47.5%. For the current reporting period, Old Dominion University exceeded the woman-owned, small, and total goals for SWaM.

Crime Data: Safety and Security
Jeanne Clery Disclosure

- Postsecondary institutions that participate in Federal Financial Aid programs are required to maintain and publish crime statistics, fire statistics, publish an Annual Security Report, and notify the campus community when needed as delineated by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).

- The location; whether on campus, in a residence hall, on non campus property, or on public property (i.e. sidewalks, parks, streets, etc.) must be properly defined. Additionally, the type of crime must be properly labeled to coincide with Clery crime definitions.

- Clery definitions may vary from the Virginia Criminal Code; therefore the statistics provided for Clery compliance may vary from the University’s statistics for the Uniform Crime Report which is submitted yearly to the Virginia State Police.

### Effective – March 31, 2015

**Notes:** Total giving includes the sum total of all contributions (pledges, gifts, expectancies, and pledge potentials) made by all the constituents towards educational and athletic foundations. Total giving is the central measure of success for every fundraising activity. Giving is constantly monitored and tracked. This measure helps us to strategize our moves/plans to reach our goals. The goal is to raise 10% more than the total of the average of the last three years. FY is fiscal year (July 01-June 30). YTD is year-to-date.

Effective – March 31, 2015

Notes: Planned giving is an area of fundraising that refers to specific gift types that can be funded with cash, equity, or property. Planned gifts are gifts that require more planning, negotiation and counsel than many other gifts. This program involves several layers of marketing and planning with a focus on future cash flow for the University. The dollars raised through this program is an effective measure of the success of our marketing and other fundraising efforts. The goal for Planned Giving is a quarter of the goal for Total Giving.

**Notes:** Annual giving is an organized effort to obtain gifts on a yearly basis to support the general operations of ODU. Annual giving is the building block for all fund raising. It helps establish a base of donors that can serve as an effective foundation to involve, inform, and bond a constituency to the organization. For Annual giving the goal is set at a 10% increase in the average of the last three years.
# College Giving

1-The NCAA developed the Academic Progress Report (APR) to track a university’s commitment to enhancing the student-athlete’s potential of earning their undergraduate degree. The APR provides a “real time” snapshot of a Division I team’s eligibility and retention success. (the APR pertains only to student-athletes who are receiving an athletic scholarship).
2-The NCAA has set a minimum APR standard for each athletic program. This standard is calculated by averaging a sport program’s eligibility and retention points for the last 4 years. Each sport must maintain or exceed the minimum standard. (The minimum APR standard is 930.)
3-The men’s programs met or exceeded APR standards for post-season eligibility and therefore did not have to serve any penalties.
