Identity Theft Protection Plans

The 2017 Identity Fraud Study, released by Javelin Strategy & Research, found that $16 billion was stolen from 15.4 million U.S. consumers in 2016. Identity theft can impact anyone, anywhere, at any time - which is why it is important that you protect yourself. Now you can monitor and control your personal information and have peace of mind in knowing that you're protected with fully-managed restoration and up to $1 million of identity theft insurance in the event of an incident.
