The Monarch Parent and Family Organization’s mission is to enhance your student’s ODU experience by strategically engaging you with the University. This organization has been formed to provide a meaningful and convenient forum for familial support, advocacy and volunteerism. Through this organization, the University seeks to:

- Offer the family/parent’s perspective to the University administration;
- Provide families a network for information sharing and networking;
- Involve families in campus activities, events and festivities;
- Provide a structured sounding board to address ideas and concerns, and
- Cultivate member “ambassadors” to support student recruitment and retention programs.

The annual membership fee is $100 per family household.
