Every first-year student will be committing themselves to at least one co-curricular activity by October 1 and reporting it on their Co-Curricular Transcript. How do you make it happen? Just follow these steps:

**Explore**
Think about how you want to get involved. Go to the Monarch Experience website and choose Summer options or School Year Options.

**Commit**
Find the perfect fit and commit yourself to it. Maybe it’s a student organization, a sports club, a learning community, a community service project, or perhaps it’s an adventure trip at the Rec Center.

**Record**
By October 1, you must record your selection on your Co-Curricular Transcript via Monarch Link (orgsync.com/login/old-dominion-university). This will be your very first entry as you track your Monarch Experience during your time on campus.

*ODU GUIDEBOOK APP*
Don’t forget to download our free Week of Welcome app for your phone and/or tablet!

You can find our app by downloading “ODU Guidebook” from your app store and clicking “ODU Week of Welcome 2017”

Old Dominion is committed to ensuring equal access to all participants. If you require special accommodations for this event, please contact LSI at 757-683-3446 within one week of the event so arrangements can be made.

The Peer Educator Program supports student learning in the classroom through peer tutoring, peer academic coaching, and peer assisted study sessions.

Peer Educators - Get Help from Someone Who’s Already Been There!

Peer Tutoring
Located in the Learning Commons @ Perry Library, Rm 1313, and online via WebEx, our peer tutors are trained undergraduate and graduate students who provide course-specific tutoring. Visit our website for a list of supported courses.

Peer Academic Coaching
Peer academic coaches (PACs) are available to meet in-person or online with students who want to improve their academic and self-management skills. Trained staff will work collaboratively with students to identify unique learning strengths, develop individual plans for academic support, and promote self-confidence and independence in areas such as study skills, time management, test taking strategies, and more. Complete a request or referral form on our website to meet with a PAC.

Peer Assisted Study Sessions (PASS)
The PEP partners with course instructors to provide a series of weekly review sessions, called Peer Assisted Study Sessions (PASS), for students enrolled in select course sections. A trained PASS leader facilitates these sessions. Our website has a list of supported courses and session times.

CRLA-Certified Tutor Training Program
The Peer Educator Program offers campus partners the opportunity to participate in a tutor training program that has been certified by the College Reading and Learning Association (CRLA). Please contact the PEP Office for more information.
