September 2019

CACREP-Accredited programs

Master’s Level Programs

The Department of Counseling and Human Services has two accredited counseling specialty areas at the master’s level: school counseling, and clinical mental health counseling. The chart on page 2 denotes the number of graduates as of the Fall 2018 semester. This encompasses the previous academic year for which institutional data was available. In total, there were 45 master’s level graduates within this time-period.

- The pass rate for graduates taking the NCE examination was 100%.
- Approximately 94% of accepted students graduate in the expected time period, seven semesters for full-time students and 9-10 semesters for part-time students. Courses accommodate both part-time and full-time students.
- Based on responses from alumni surveys, Clinical Mental Health Counseling graduates indicated an 86% job placement rate.
- Based on responses from alumni surveys, School Counseling graduates indicated a 67% job placement rate.

Doctoral Program

The Department of Counseling and Human Services also houses a Counselor Education and Supervision Ph.D. program. The chart on page 2 denote the number of graduates as of the Fall 2018 semester. This encompasses the previous academic year for which institutional data was available. In total, there were 7 doctoral level graduates within this time-period.

- Approximately 96% of accepted students graduate in the expected time period, with an average of 2.75 years for full-time students and 3.5 years for part-time students. Courses accommodate both part-time and full-time students.
- Based on responses from alumni surveys, graduates of the program indicated an 81% job placement rate.
