COLLEGE OF HEALTH SCIENCES BUILDING

NAMING OPPORTUNITIES
The College of Health Sciences is committed to excellence and innovation in education, research, and service. The college prepares outstanding health professionals for workforce needs in the region and conducts research for the advancement of health and wellness at this critical time in the Commonwealth of Virginia, the nation, and the world. The college has established national and international prominence in our core disciplines through research and the preparation of outstanding health and public health professionals who are leaders in their disciplines and communities.

OUR MISSION, VISION & VALUES

Mission
The mission of the College of Health Sciences is to provide leadership in healthcare by offering excellent educational experiences in a quality learning environment; to facilitate the development of competent, caring health professionals; to generate knowledge through inquiry and discovery; and to engage in lifelong learning, professional, and community service.

Vision
Our vision is to promote and achieve excellence in healthcare education and scholarship through innovative interdisciplinary approaches which empower our global community.

Values
Inclusiveness: comprehensive, embracing, breadth, diversity, opportunity

Innovation: novelty, origination, creativity, transformation, new imaginations, better solutions, reimagining

Integrity: veracity, truthfulness, honesty, genuineness, fairness, respect, moral character, trustworthy
