Undergraduate STEM Research Scholarship 2021-2022

Scholarships
The Virginia Space Grant Consortium (VSGC) periodically offers undergraduate research scholarships of up to $1500 to students majoring in Science, Technology, Engineering, and Math.

The application requirements are determined by the prospective student and the VSGC. Each scholarship is administered by the designated entity.

Eligibility
Applicants must:
- be U.S. citizens
- be enrolled full-time in a program of study resulting in an Associate or Bachelor's degree in a field of study designated by VSGC
- have a cumulative GPA of at least 3.0
- be enrolled in a summer session in 2021

How to Apply
Visit the VSGC website at http://vsgc.nasa.gov for more information.

DEADLINE: January 29, 2021

**INTERNSHIPS**

能力实习生招聘
