Sinkinson Dyslexia Foundation’s mission is to provide assistance to children struggling with dyslexia and other serious reading problems. We are a non-profit 501(c)3 organization dedicated to serving families across Hampton Roads. Our volunteers do not need any prior training in reading or teaching. Volunteers will be trained to use a very structured reading program. Tutoring sessions will be held at our center. Volunteer tutors have helped students gain several grade levels in reading!

This is a great opportunity to gain teaching experience, learn more about the learning differences, and most importantly make a difference in a child’s life! You only need to dedicate one hour a week for each student.
