Old Dominion University
IncludED – Getting Started Guide with Pearson

Your instructor wants the best opportunities available to you when purchasing course materials, so we’re using the IncludED billing model. This means you will have immediate access to your MyLab/Mastering course materials at the lowest possible price!

Register for your MyLab/Mastering Course through Blackboard

Your MyLab/Mastering course is fully integrated with Blackboard! Once you’ve logged into your school’s Blackboard portal you’ll be able to access your course and complete MyLab/Mastering registration. No Course IDs or access codes needed!

1. Open your web browser and go to Blackboard (www.blackboard.odu.edu) Login with your MIDAS ID and password:

2. Click into your Blackboard course under the “My Courses” heading:
3. Inside your Blackboard course, click on any MyLab Math course link:
4. Read and Accept the End-User License Agreement and Privacy Policy:

Welcome to MyMathLab
To get started, run Browser Check to make sure you can view course materials. View How to How to Enter Answers to learn about entering answers with math notation.

Need extra help? Go to Pearson Tutor Services for detailed, personalized assistance.
Tips & Support Information

Digital learning is no longer a trend, but a skill! Here are some ways to make sure you’re on top of your game and using every tool at your disposal. First things first, we need to get your browser optimized for digital content! Let’s start with the steps below:

- Download Google Chrome or Mozilla Firefox (Microsoft Edge, Microsoft Internet Explorer, and Safari are NOT fully supported browsers)
- Video Help from PearsonStudents YouTube
  - Browser Set Up
  - Clear Cache & Cookies
  - Enabling Java & Javascript
- If you need to connect with Pearson 24/7 Technical Support, the preferred method is via a Live Chat. No waiting on the phone and a clear transcript emailed to you afterwards. Then you can send the Tech Support Case # to your professor to help facilitate a resolution on your behalf!
