II. REPORT OF VICE PRESIDENT OF STUDENT ENGAGEMENT AND ENROLLMENT SERVICES

Dr. Ellen Neufeldt, Vice President for Student Engagement and Enrollment Services, made a presentation on what is shared with prospective students during Open House, which included the following:

- Business Insider recently ranked ODU the most affordable college in Virginia
- Beginning this fall, the Virginia Beach Higher Education Center will offer upper-level undergraduate and graduate courses in nursing and telehealth training
- More than 4,000 bachelor’s degrees were awarded this past year – the largest in our history
- We just enrolled one of our largest freshman classes
- Our innovative, hands-on learning techniques are supported by 32 SCHEV award-winning professors, and many of our professors are published authors and artists, top-level researchers, educational trailblazers, entrepreneurs, and more
- Supporting the classroom instruction are programs like success coaching, peer mentoring, tutoring, advising, Brother2Brother, internships, study abroad, and the Military Connection Center
- Incoming freshman are encouraged to launch their Monarch Experience with one of three unique summer opportunities: Freshman Summer Institute; Freshman Service Experience; and Study Abroad Freshman
- Service continues to be a cornerstone of the Monarch experience, and this past year dental hygiene students provided more than $100,000 in free services to the community; alternative spring breaks found Monarchs volunteering in refugee camps in Greece, working with children and adults with intellectual and physical disabilities in Texas, and rebuilding oyster reefs in South Carolina; and campus ambassadors spearheaded “A day in the life of a Monarch” for the Boys and Girls Club of Norfolk that brought 180 at-risk youth to campus in July
- This past spring, the Monarch Marching Band performed at Disney World, and forty of our Concert Choir sang at Carnegie Hall
- In Athletics, 281 of our student-athletes made the Dean’s list; our women’s soccer team had the highest collective GPA of 3.5; our cheerleaders won a national championship; our football team won the Bahama’s Bowl (their first championship), and the Women’s golf captured the conference USA title
- ODU’s students thrive on our diverse campus, where every voice can be heard and every thought has value. At ODU, Monarchs create the traditions that are ODU, find place and purpose as they engage with others, and are prepared for life after graduation

III. STUDENT REPRESENTATIVE REPORT

Rafia Haq, student representative to the Board, presented on student admissions and the importance of the experiences for incoming students. Representatives from Preview and the Admissions Office reported on their experiences while students at ODU.
IV. SECURITY UPDATE
Chief Harris reviewed the crime statistics from 2015-March 2018, reporting that we are maintaining the same trend, with crime decreasing on ODU owned and leased property, and no anomaly is anticipated that would increase the numbers. She reported that staffing is not decreased during the summer months and ODUPD police the same areas as in the fall and spring.

IV. ADJOURNMENT
There being no further business, the meeting adjourned at 1:00 p.m.
