

## DESIGN STANDARDS BULLETIN

The *Design Standards* were developed to work in conjunction with the requirements of the Construction and Professional Services Manual (CPSM) of the State of Virginia. This Bulletin is for the *Old Dominion University Design Standards* only and will not address any revisions associated with the CPSM.

This Bulletin is being issued as an interim change to the standards which cannot wait for the annual updates. It will be officially incorporated into the standards at the next published update.

### Division 9 – Finishes | 09.18 Paints and Coatings | ADD Paragraph N

N. ODU has researched and tested several paint colors to find a suitable match for our Monarch Blue translated to a wall paint. Because this color needs to be consistent throughout campus, the following two paint selections are the only two that should be used where Monarch Blue is to be used. Substitutes will no longer be accepted due to the variety of colors that supposedly match.

1. Benjamin Moore Hudson Pay 1680 as formulated by Benjamin Moore.
2. Sherwin Williams Custom Color 810 Hudson Bay: MATCHING the formula below.

CCE* COLORANT	OZ	32	64	128
W1-White	-	39	-	1
L1-Blue	2	58	1	-
R3-Magenta	2	63	1	-
Y1-Yellow	-	30	1	1
