OVERVIEW:

The mission of the Payroll Office is to ensure that all employees of the University are paid timely and accurately while maintaining compliance with federal, state, and University regulations and policies. To this end, the Payroll Office needs to receive timely, correct, and complete information from the University community. Our hope is that this training will give you the tools needed to ensure accurate payment of compensation in addition to also providing a more complete understanding of the payroll process. Payroll is located on the second floor of Spong Hall.

OBJECTIVES:

- Provide a brief synopsis of how employees are placed on payroll status
- Types of employees
- EPAFs
- Provide guidelines for Web Timesheet submission & completion
- Manual Timesheets (including corrections to timesheets)
- Discuss Deductions (including benefits)
- Discuss why timeliness is so important
- Discuss tracking wages
- Discuss W-2 Issues
- Provide resources for solving problems

IMPORTANT REMINDERS:

WAGE TIMESHEETS (Web Time Entry – WTE) are considered state records and any falsification is considered fraud and could be grounds for termination. Falsification includes, but is not limited to, the following:

A. Misrepresenting hours worked
B. Having an employee submit a web timesheet for approval before the hours have been physically worked
C. Changing an employee’s web timesheet without documenting the change in the comment section and informing the employee

The web timesheet should be submitted after all the hours are worked for the pay period and before the pay period deadline. When an employee submits a web timesheet to the approver, they are certifying that the hours worked are a true and accurate record of their time. When a supervisor approves a web timesheet, the supervisor is certifying that all information contained is correct and that the employee worked the hours shown on the web timesheet.

EMPLOYMENT YEAR:

- Effective May 1, 2013 – all wage employees are limited to working no more than 29 hours per week on average between May 1-April 30 each year.
- Effective May 1, 2013, wage employee work hours must be counted on a twelve-month basis beginning May 1 – April 30. Wage anniversary dates are no longer relevant for the purpose of tracking the 1500 hour limit.
- Wage employees are limited to working 1500 hours per employment year (May 1 – April 30 each year)
- There are NO EXCEPTIONS to the 1500 hour limit.
- Immediate supervisors, or other office staff, who review and approve web timesheets are responsible for tallying wage employee work hours.
- Supervisors are responsible for monitoring hours worked and adjusting work schedules in order to comply with this mandate.
- The hours worked for other offices on campus must be included in the tally.
- Upon reaching the 1500-hour limit, the employee may not work again until the beginning of the employment year. The supervisor must send a letter to the wage employee which indicates no further work may be performed until the 365-day period is completed. A copy of this letter must be sent to the Department of Human Resources.
- It is the employing department’s responsibility to maintain records of the employment year for each hourly wage employee.
  - Emails are sent to the supervisors of hourly wage employees on the 15th of the month stating the number of hours an hourly employee has worked toward the 1500 hour limit

Questions about the work hours limitation for hourly wage employees may be addressed to Pam Harris in the Department of Human Resources, 757-683-5131 or via email at pharris@odu.edu.

NOTE: The employment year for adjunct faculty is set by Academic Affairs.
OVERTIME SUB-ACCOUNT FOR HOURLY WAGE EMPLOYEES:
Hourly wage employees who work more than 40 hours in a work week (usually Sunday through Saturday), must be compensated at the overtime rate (time and one-half). The sub-account for hourly wage overtime pay is 4024.

OVERTIME SUB-ACCOUNT FOR CLASSIFIED EMPLOYEES:
The sub-account for classified employee overtime pay is 4004. Overtime pay is available only to those employees eligible to receive overtime pay. Refer to the section on Overtime Pay.

HUMAN RESOURCES RESPONSIBILITIES:
The first step in the payroll process is attaining payroll status. Human Resources plays a vital part in this process since the initial set-up of employee records is done in their office at the beginning of the hiring process. If an adjunct faculty member is hired directly by the department, the department is responsible for ensuring that all required documentation is provided to bring the new employee to payroll status. All international employees (including part-time and full-time faculty) must complete all I-9 hiring documents in the Visa & Immigration Service Advising (VISA) office. All documentation must be sent to Human Resources BEFORE the employee begins work. Please refer to the Human Resources website for the latest directory and contact information. http://www.odu.edu/humanresources/directory

CLASSIFIED/FACULTY:
The hiring process is completed in Human Resources, and the Banner employee record (including pay rate) is also set up by Human Resources. Payroll receives a notification that the record has been set up and giving the employee’s start date. Payroll receives and inputs information from tax forms, benefit forms, and deduction forms. If no tax forms are received, the IRS requires that the tax status be set up at the single rate with zero withholding exemptions, which is the highest withholding status.

HOURLY WAGE EMPLOYEES (4021):
The E-1 Temporary Employment Data Form (Hourly Staff) hiring document is received by Human Resources after the recruiting or direct hire process is complete. Supervisors are advised as to the date the new employee may begin working. The information about the new employee is input into the Banner system, and the E-1 Form is maintained in Human Resources. Web Time Entry is used to initiate payment to hourly wage employees. Web Timesheets must be submitted and approved in accordance with the deadlines published in the Web Time Entry Training materials found on the Office of Finance website (https://www.odu.edu/facultystaff/employee-services/compensation/payroll/web-time-entry/training) and in accordance with the pay periods published in the Payroll Schedule. If the E-1 Form is not received by Human Resources in a timely manner, a Web Timesheet will not be available to the employee, and the employee will be unable to enter hours on the web. The EPAF (Electronic Personnel Action Forms) process is mandatory for specific pay actions. Refer to the section on Changes/Termination Procedures.
The hiring documentation MUST be completed by the department, approved, and processed by Human Resources and Payroll BEFORE THE EMPLOYEE BEGINS WORK!
**ADJUNCT FACULTY (4027):**
Academic Affairs distributes information to all academic departments about hiring requirements. Information on appointing adjuncts and processing adjunct faculty payrolls is available from the following points of contact in Academic Affairs.

Prior to submitting the initial payroll for an adjunct faculty member (under the expenditure sub-object code 4027) the academic department hiring a part-time faculty member must request that the individual be appointed/reappointed as an adjunct faculty member at Old Dominion University. Without an appointment as an adjunct faculty member, a corresponding payroll document will not be processed by Academic Affairs. Adjunct faculty appointments must be approved by an academic department chair, college dean, and the Provost. Requests for adjunct faculty appointments are submitted using the Old Dominion University Adjunct Faculty Approval & Employment Authorization Form. Payments to currently appointed adjunct faculty or full time faculty on an overload basis must be submitted on either the **Credit Course Payroll Form**, the **Non-Credit Payroll Form**, or payroll information must be submitted through the **Faculty Load and Compensation module** in self-service (FLAC – refer to FLAC section). Payroll forms are sent to the Academic Affairs after being signed by the department chair and college dean. Payroll information submitted in FLAC is sent to Academic Affairs for approval after records are approved by the dean or department chair.

Adjunct faculty members are normally paid at a fixed TeachLoad rate based on their appointed academic rank. A TeachLoad for most credit courses is 3.0 but may be as high as 4.0 or 5.0 TeachLoad hours. Adjunct Faculty members are paid according to the start and end dates of the class they teach. Faculty members should be reminded to check with their departments for specific pay dates. Adjunct faculty payments begin approximately five weeks after classes begin, provided the necessary forms have been received in the Office of Academic Affairs by established deadlines.

Mr. Dan Hennelly is the Academic Services Analyst in Academic Affairs who assigns the University Identification Number to adjunct faculty. Human Resources sets up the initial adjunct employee record in BANNER. Payroll forms are reviewed, audited, and processed by Jamie Cardoza who is the Fiscal Technical Senior in the Office of Academic Affairs. Academic Affairs provides copies of completed payrolls to Human Resources, the Payroll Office, and originating academic departments for distribution to their adjunct faculty.

For additional information on adjunct faculty policy and procedures (including adjunct faculty payroll schedule and adjunct faculty pay rates), please refer to the Office of Academic Affairs website. [http://www.odu.edu/acadaffairs](http://www.odu.edu/acadaffairs)

**NON-INSTRUCTIONAL PART-TIME FACULTY (4031):**
Human Resources (sub-account 4031) – When non-instructional faculty (4031) are hired by Budget Units outside Academic Affairs, Budget Unit Directors should contact Human Resources and use the **Non-Instructional Part-Time Faculty Temporary Employment Payroll Form (Excel)**. Academic Affairs departments must submit a **Non-Instructional Authorization Form** available from Academic Affairs along with the **Academic Affairs Temporary Employment Data Form 4031 (PDF)**. These forms are located on the Academic Affairs website.

AP Faculty who are being compensated on a **4031 Form** are being assigned to a secondary position and the supervisor of their AP Faculty position would have to give written permission for the person to do the 4031 activity, as this is joint employment. The written permission must be attached to the **4031 Form**.

**TEMPORARY PAY FOR ADMINISTRATIVE AND PROFESSIONAL FACULTY (AP FACULTY)** – A process has been implemented for administrative and professional faculty (AP Faculty) who are to be paid for temporary or interim duties. The **Request for Temporary Pay for Administrative and Professional Faculty (AP Faculty)** - [http://www.odu.edu/content/dam/odu/offices/human-resources/docs/temp-pay-fac.pdf](http://www.odu.edu/content/dam/odu/offices/human-resources/docs/temp-pay-fac.pdf) - should be used to process temporary pay for special projects and additional duties. Compensation for additional duties outside the regular position description, duties performed for another department on campus, and duties outside of the regular work week should be processed via the **Temporary Pay Form for Administrative and Professional Faculty**. The **Request for Temporary Pay for
**Administrative and Professional Faculty Form** is never used to compensate instructional faculty. Please contact Nadine Faulcon-Johnson, Director of Total Compensation and Staffing, 683.3067, if you have questions.

**GENERAL HIRING INFORMATION:**
If Human Resources did not handle the recruitment process, departments are responsible for ensuring that all hiring documents are completed, submitted, and processed - prior to the employee beginning work. (Ensure that you are using the most current copies of all forms – items marked with an asterisk (*) below are part of the new employee forms packet available from the Human Resources website.)

Departments are responsible for ensuring the following documentation is submitted before allowing a NEW employee to begin work.

1. **Appropriate Authorization Form for the Employee Type** (hourly wage, adjunct faculty, overload pay, etc.)
2. **Certification for Employment Eligibility (I-9)** – must be completed at the time an employee is hired. It’s a Federal law. If an employee has already worked on campus, an I-9 may be on file. **AN EMPLOYEE WITHOUT AN I-9 FORM ON FILE IS NOT AUTHORIZED TO WORK.** The Federal penalty for non-compliance is $250 to $11,000 per violation. A violation is one individual employed on campus without an I-9 form on file. Please refer to the Certification/Retention of I-9 Forms chart to see who is responsible for certifying I-9 forms for different employee types.
4. **Policy Summary Acknowledgement** – required by Commonwealth of Virginia law and University Policy. This acknowledgement covers a Summary of Policy 1.05 (Alcohol and Other Drugs – full copy available upon request from the Department of Human Resources) and Policy 1.75 (Use of Electronic Communications and Social Media). These policies apply to all employees (including student hourly workers and graduate assistants).
5. **Selective Service Form** – required for all new male employees.
6. **Conflict of Interests/Dual Employment Reporting Form** – This form is used to determine if a potential conflict of interest exists and is required for all new hires. **This is a requirement for all new hires.**
7. **Elected Official Disclosure Form** – Required disclosure to determine employment eligibility for non-tenure track positions.
8. **Equal Opportunity Data Form** – Required to determine compliance with State and Federal Equal Opportunity Laws and to meet the reporting requirements of these laws.
9. **Military Information Sheet** - Required form – contact Human Resources to obtain this form.
10. **Copy of the Social Security Card** – The University is required to record your name and social security number exactly as it is shown on your social security card. It is the policy of the Department of Human Resources and Payroll to require all new employees to present their signed social security card before an employee may begin work. A copy of the signed card will be made for the employees' official personnel file. Employees will not be set up in an active payroll status until Human Resources receives a copy of the signed Social Security card. Please note that the card must be signed to be valid for I-9 or employment purposes.
11. **Direct Deposit of Pay Details** *(REQUIRED)* – MUST ACCESS WITH MIDAS CREDENTIALS ONLINE! Submit details for initial appointment and when there are changes to banking information (bank, routing number, account number). Required for all new hires. **If these details are not included in the hiring packet, the packet will be returned unprocessed.**
12. **Tax Forms** – Current year Federal (W-4) and State (VA-4) withholding forms. Submit for initial appointment and when there are changes in withholding allowances for those employees subject to withholding. **Also, if an employee claims exempt from withholding, tax forms must be filed every year.** Failure to submit a W-4 or VA-4: Employees need to understand that if they do not submit completed W-4 and/or VA-4 withholding forms, the Internal Revenue Service (IRS) requires Old Dominion University to withhold taxes at the highest rate, which is Single or Married filing separately and made no other entries on Form W-4. Furthermore, Old Dominion University cannot repay any of the tax previously withheld. The Old Dominion University Payroll Office cannot change the tax withholding status of an employee until Payroll receives new tax withholding forms or corrected forms, whichever applies.
ADDITIONAL HIRING FORMS REQUIRED (see list above): If a department hires an individual who has recently been employed at the University, the required documentation is already on file. Refer to the Changes/Termination Procedures Section. Many pay actions for hourly-wage employees required departments to complete EPAFs (Electronic Personnel Action Forms).

CERTIFICATION/RETENTION OF I-9 FORMS: Effective March 1, 2016
Per University Policy #6027, Employment Eligibility & Verification Policy:
http://www.odu.edu/content/dam/odu/policies/university/6000/univ-6027.pdf

THE IMPORTANCE OF POSITION NUMBERS:
Position numbers drive where the expenditures for gross wages and any social security taxes will be charged. Each department is assigned specific position numbers for part time position types (hourly wage positions, adjunct faculty, non-instructional part-time faculty, graduate student teaching and research assistants, work study students, etc.). Hiring paperwork submitted with incorrect position numbers will hold up processing of an employee’s paycheck.

IMPORTANT: Please be sure to use the position number(s) assigned to your budget for the specific employee type. This is especially important if you have more than one budget. Position numbers are tied to budgets and are not interchangeable. Use of an incorrect position number could result in the employee being paid from the wrong budget.

Obtaining New Position Numbers – To obtain a new valid position number (4027 and 4031) for your department, please contact the University Budget Office at 3-3127. New hourly and full-time positions must be established through Human Resources.

Hourly Wage Employees – Sub-account 4021 - Position number prefix HRnnnn – charged to the specific budget code for the department and sub account 4021.

Adjunct Faculty (part-time) – Sub-account 4027 - Position number prefix PTnnnn – charged to the specific budget code for the department for sub account 4027.

Full Time Employee with additional adjunct position(s) – Sub-account 4027 - Position number prefix OTnnnn – charged to the specific budget code for the department for sub account 4027.

Non-Instructional Part-Time Faculty – Sub-account 4031 - Position number prefix AAnnnn – charged to the specific budget code for the department for sub account 4031.
GUIDE TO HIRING FORM COMPLETION:

**HOURLY-WAGE EMPLOYEES (4021):**
When hiring new hourly wage staff, the department must submit a correctly completed *Temporary Employment Data Form (E-1)* at the conclusion of the hiring process. Please refer to the instructions for completing the *Temporary Employment Data Form (E-1)*. Please be sure to provide the name of the supervisor who will be approving work hours in Web Time Entry.

**NOTE:** The E-1 is used as the initial hiring form for **NEW** hourly employees subject to Web Time Entry. Other pay actions for hourly wage employees are handled via the *Electronic Personnel Action (EPAF)* process (see section on Changes/Termination Procedures).

Supervisors will be advised as to the date the new employee may begin working. You can find the most current form on the Human Resources website in the forms directory (look under Employment forms).

CHANGES/TERMINATION PROCEDURES (EPAFS): You must adhere to the Payroll schedule for all submission deadlines, including EPAF pay actions.

ELECTRONIC PERSONNEL ACTION FORMS (EPAFs):

What is an EPAF? Electronic Personnel Action Forms (EPAFs) utilize existing functionality in Banner self-service (LeoOnline) and will replace the paper E-1 and E-1S Forms for rehiring, rate changes, terminations and position changes as outlined below. These EPAFs will be submitted through self-service by the department and routed to the appropriate EPAF approver and onto Payroll or Human Resources for review and update of the Banner records. This electronic process will be faster and more efficient than the current paper process.

When do I use an EPAF? A paper E-1 or E-1S Form is no longer needed for specific pay actions (see below) associated with hourly and student hourly employees subject to Web Time Entry. The EPAF process is mandatory for the following actions:

- Rehiring a student hourly or hourly employee in the same position
- Rehiring a student hourly or hourly employee in a different position (whether in the initial hiring department or another department)
- Rate changes
- Terminating a student hourly or hourly employee job (person leaving a position)
- Terminating a student hourly or hourly employee (person leaving the University)

Hiring NEW hourly employees? The paper E-1 Form will still be needed for hiring new hourly wage employees.

How do I gain the access for EPAFs? To obtain the appropriate access for EPAFs (EPAF Originator, EPAF Approver, or EPAF Proxy), complete the Electronic Approval Access Form and submit it to the individual designated on the form: http://www.odu.edu/content/dam/odu/offices/human-resources/docs/epaf/electronic-approval-access-form.pdf

Documentation: Documentation, FAQs and Quick Reference Guides are available on the Department of Human Resources EPAF webpage.

PAYROLL INSTRUCTIONS – ACADEMIC AFFAIRS:
Academic Affairs Adjunct Faculty (4027) & Non-Instructional Part-Time Faculty (4031)
Each semester, the Associate Vice President for Academic Services distributes instructions for preparing overload and part-
time faculty payrolls for the specific semester. (See previous section on Adjunct Faculty and Non-Instructional Part-Time
Faculty for more details.) FLAC is the preferred method for processing payroll for instructional adjunct faculty. To obtain a
current copy of the instructions and the appropriate forms to use and for FLAC questions, please contact Teresa Mariner at
extension 683.3075 or via email at aapayroll@odu.edu.

FLAC (Faculty Load and Compensation):
FLAC (Faculty Load and Compensation) is the Banner module implemented to pay adjunct faculty for credit courses
and full-time faculty teaching overload courses. This online process eliminates the need to complete the paper
form. The FLAC module merges data from Banner Student and HR modules and is downloaded, creating a self-
service application where compensation for faculty can be viewed and edited by departments and colleges. Records are
locked (approved) before being uploaded back to Banner, creating the job records that drive the paycheck
creation. Adjunct pay records are not available to Payroll until the day after Academic Affairs certifies the payroll
records. For specific training information or current instructions on using FLAC, contact Teresa Mariner at 683.3075
or aapayroll@odu.edu.

Obtaining Access to the FLAC Processing Components:
Banner access is required for FLAC processing. You need both Banner access and access to the FLAC module in LeoOnline.

- Already have Banner Access? Supervisor reaches out to Human Resources requesting access to the
  HRFLACSUPPORT security class. Include in this request all the budget codes needed, including the codes for
  Off-Campus and Summer Session. Human Resources will approve and send to ITS Accounts.

- Need Banner Access? Complete an Account Request on midas.odu.edu (directions here:
  https://www.odu.edu/content/dam/odu/offices/occs/docs/midas-account-request.pdf), obtaining proper
  approval. Be sure to mention FLAC SUPPORT for justification. Also be sure to put the required budget codes
  and select HRFLACSUPPORT as the Banner classification needed. This request will be automatically routed to
  Human Resources first, and upon approval Human Resources will send to ITS Accounts.

FREQUENTLY ASKED QUESTIONS (4027 and 4031):

1. What is the difference between 4031 and 4027?
   - 4031 is used for non-instructional, non-research services. It is also used for special payments for non-teaching, administrative non-clerical assignments.
   - 4027 is for Teaching and Research positions usually associated with a credit-producing course. Payrolls are processed via FLAC.

2. Who is paid in sub-account 4031?
   - **Academic Affairs** Non-Instructional Part-Time Faculty. Be sure to use the authorization form provided by Academic Affairs and submit the Academic Affairs Temporary Employment Data Form (4031) on the Academic Affairs website (PDF form).
   - **Non-Academic Affairs** Non-Instructional Part-Time Faculty. Be sure to use the form provided by Human Resources (Excel form).

3. Who is paid in sub-account 4027?
   - Summer session teaching, overload teaching, and evening sessions, and part-time teaching when the individual is not permanently employed.

4. What do I do for funding?
   - Departments are required to provide funding for all payroll expenses. You may submit a budget adjustment form to the Budget Office prior to, or with, your payroll form.

5. Where do I get new position numbers?
   - All payroll forms must contain position numbers. If you need new position numbers, obtain new position numbers prior to submitting your payroll forms. Please call Lynda Shirk-Williams in the Budget Office (3-3127) for this information. Hourly positions need to be established following established Human Resources procedures.
   - Position numbers drive where the expenditures for gross wages and any social security taxes will be charged. Each department is assigned specific position numbers for each non-permanent employee type. Using an incorrect position number could result in the wrong budget being charged for payroll expenditures.

6. How long will it take to process the payroll forms?
   - Like all other part-time employee payroll requests, ample time is needed to process the paperwork. Please refer to the current payroll schedule for cut-off dates. Academic Affairs provides deadlines to lock FLAC pay records.

7. How do I compute FTE?
   - 1 FTE is equivalent to a full-time employee working 2,080 hours in a calendar year. The formula for FTE for payroll purposes is: \( \frac{\text{hours worked}}{2,080} \)
   - Example: If John Doe worked 45 hours during the 1/1/96-1/15/96 pay period, his FTE would be .022: \( \frac{45}{2080} = .022 \)

8. Where do I send completed FLAC spreadsheets and hard copy 4031 forms?
   - Academic departments should send FLAC spreadsheets (after records are locked) and appointment and payment authorization forms (when applicable) to Academic Affairs. After review and processing, the payment authorization forms will be forwarded to Payroll.
   - Academic departments should send the original Academic Affairs Temporary Employment Data Form (4031) AND the Academic Affairs Non-Instructional Part-Time Faculty Authorization Form to Academic Affairs.
   - Non-academic departments should send the original of the Non-Instructional Part-Time Faculty Temporary Employment Payroll Form (4031) to Human Resources. After processing, Human Resources will make a copy and send the original form to Payroll.
   - Keep a copy of all forms for your files.

9. Do I need to send any other forms with these payroll forms?
   - W-4, VA-4, and Direct Deposit details must be submitted online for new employees. If these details are already on file, it is not necessary to submit new information, unless changes are required. For anyone claiming “exempt” from withholding status, new W-4 and VA-4 forms must be submitted each year to maintain exempt status. All international employees (including part-time and full-time faculty) must complete all tax and direct deposit details online in the Visa & Immigration Service Advising (VISA) office.
   - All required hiring forms must also be submitted to Human Resources if not already on file (see General Hiring Information for a list of required hiring documents). Also attach a photocopy of the signed Social Security card and one other form of identification.

10. Where do I get additional blank part-time payroll forms?
    - The Non-Instructional Part-Time Faculty Temporary Employment Payroll Form (4031) is available from the Human Resources webpage.
    - Academic Affairs forms are available from the Academic Affairs website or from Shari Swain in Academic Affairs.
MOVING AND RELOCATION INFORMATION – RELOCATION BONUS:

Newly hired full-time faculty and administrative professional employees who relocate from their former residence to a new residence may be issued a one-time relocation bonus, if deemed appropriate by the University President or designee. A Relocation Bonus Agreement will be included as part of the contract package and should be executed at the time of employment.

Also keep in mind – The Relocation Bonus will be paid ONLY after a contract is executed between the employee and ODU. The employee must remain employed by the University for a period of at least one year, otherwise may be liable for Bonus repayment including taxes. Bonus amounts should generally be limited to 15% or less of the starting salary offered, and are paid directly to the employee, reported as taxable income, and are subject to all tax liability at the time of payment. The Bonus may be paid as a one-time payment made within the first 30 days of employment, or may be spread out over a number of pay periods within a 6 month timeframe.

To ensure that your new faculty/staff hires will receive the Relocation Bonus, contact the appropriate individual PRIOR to offering any Relocation Bonus amount:

TAX FORMS:

In order for the Payroll Office to know how much income tax to withhold from an employee’s wages, we must have a Form W-4, Employee’s Withholding Allowance Certificate, and a VA-4, Employee’s Virginia Income Tax Withholding Exemption Certificate, on file for each employee. However, if the employee does not submit tax forms, the IRS requires that taxes be withheld at Single or Married filing separately and made no other entries on Form W-4. This is the highest withholding rate. Withholding forms (please be sure to use current year withholding forms) need to be submitted at the time of original hire and do not need to be submitted again unless there are changes OR the employee claims “exempt” from withholding.

Be sure to submit the current year’s W-4/VA-4 Forms! All international employees (including part-time and full-time faculty) must complete all tax forms in the Visa & Immigration Service Advising (VISA) office.

Failure to submit W-4 or VA-4: Employees need to understand that if they do not submit completed W-4 and/or VA-4 withholding forms, the Internal Revenue Service (IRS) requires Old Dominion University to withhold taxes at the highest rate, which Single or Married filing separately and made no other entries on Form W-4. Furthermore, Old Dominion University cannot repay any of the tax previously withheld. The Old Dominion University Payroll Office cannot change the tax withholding status of an employee until Payroll receives new tax withholding forms or corrected forms, whichever applies.

Incorrectly Completed Tax Forms: If incorrectly prepared or incomplete VA-4 or W-4 forms are received for processing, the Payroll Office will send the employee an email requesting corrected tax forms. Until corrected tax forms are received by the Payroll Office, the employee will be treated as if they had checked the box for Single or Married filing separately in Step 1(c) and made no entries in Step 2, Step 3, or Step 4 of the 2020 Form W-4. The withholding status will be changed only upon receipt of corrected forms by the Payroll Office.

Employee’s Withholding Allowance Certificate (Form W-4) - Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If an employee does not submit tax forms, the IRS requires that taxes be withheld at Single or Married filing separately and made no other entries on Form W-4.

W-4 Completion - The following information must be completed (PRINTED CLEARLY AND LEGIBLY IN INK) on the W-4 (Employee’s Withholding Allowance Certificate) for federal taxes:

 Step 1:
   a. NAME and HOME ADDRESS
   b. SOCIAL SECURITY NUMBER
      • If your name does not match the name on your social security card, please contact the Social Security Administration at 1(800)772.1213 or visit their website at www.ssa.gov to ensure you get credit for your earnings.
c. **FILING STATUS**

**Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5.** See Page 2 of the W-4 Form for more information on each step.

**Please Note:**
- For Nonresident Alien (NRA) students, please write “Nonresident Alien” or “NRA” in the space below Step 4c.
- If claiming exempt from withholding, please write “EXEMPT” in the space below Step 4c.

**Step 5:**
- Once the form is filled out and complete, the student/employee must SIGN in ink and DATE in the space provided.

**Employee’s Virginia Income Tax Withholding Exemption Certificate (Form VA-4)** - Use this form to notify your employer whether you are subject to Virginia income tax withholding and how many exemptions you are allowed to claim. You must file this form with your employer when your employment begins. If you do not file this form, your employer must withhold Virginia income tax as if you had no exemptions.

5. Complete the applicable lines (line 1a, 1b, 1c; line 2, line 3)

7. **Line 2 - ADDITIONAL WITHHOLDING REQUESTED (leave blank if claiming EXEMPT from withholding)**

   i. **NOTE:** Advise employees that they should complete lines 1 and 2 or line 3. Completing lines 1, 2, AND 3 or 4 will result in the form being returned for resubmission. Also, remind them that if they complete line 2 only, the form will be returned for resubmission because they did not provide the number of withholding allowances.

**When to Submit Tax Forms**
1. **Original hire** – submit withholding forms for all new hires
2. **Withholding changes** – submit new withholding forms if there are changes in withholding exemptions
3. **Maintaining exempt status** – submit new withholding forms each year.

The Payroll Office cannot give advice on what filing status to declare or the number of allowances to claim. Please consult your tax advisor or the IRS.

**NON-RESIDENT ALIEN EMPLOYEES:** Certain nonresident alien employees of the University may be exempt from FICA tax withholding based on Visa status. The VISA office (extension 3-4756) can help determine tax status and provide information on completing the necessary forms to take advantage of this benefit.
DIRECT DEPOSIT:
It is mandatory that first time employees (new hires and re-hires) be enrolled in direct deposit. All employees are encouraged to participate in the University's direct deposit program. Direct deposit (also known as EFT, Electronic Funds Transfer) of payroll allows our employees to have their pay electronically deposited to their savings and/or checking accounts each payday. **NOTE: This process must be accessed by the employee via Midas credentials online to diminish fraud attempts at ODU!**
Exceptions may be allowed under certain "extraordinary" circumstances. However, to obtain an exception, you must write a letter explaining in detail why you cannot participate in direct deposit. This letter must be forwarded to the Payroll Manager for review. The letter is then forwarded to the State Director of Payroll at the Department of Accounts for their approval. If the exception is not approved by the Department of Accounts, you must participate in direct deposit.
Listed below are the Global Exceptions to the Direct Deposit Policy:
- Employees under the age of 18.
- Employees without a Social Security Number
- Federal Work Study employees
- Employees changing financial institutions
  - Employees changing financial institutions may receive a paycheck for two pay periods while establishing a new bank account.

**SPECIAL NOTE: If the University is closed due to inclement weather on a scheduled pay day, checks will be distributed on the next work day.**

To sign-up for direct deposit, the employee must complete the online direct deposit update process – instructions may be found here: [https://odu.edu/content/dam/odu/offices/finance-office/docs/direct-deposit-self-service-guide.pdf](https://odu.edu/content/dam/odu/offices/finance-office/docs/direct-deposit-self-service-guide.pdf) – THESE DETAILS MUST BE SUBMITTED WITH REMAINING HIRING PACKET! Once these details are provided by the employee, Payroll staff will set up the next paycheck to electronically deposit to the bank and bank account number specified by the employee.

**Reviewing Pay Information** - Once the direct deposit transactions are active, employees can access payroll information approximately two days prior to payday through the Employee link in LeoOnline (also used for Web Time Entry). Direct Deposit stubs are not printed.

**Changes to Direct Deposit** - To change banking information or make other direct deposit changes, complete the update process online via the same methods referenced above. Updates go into immediate effect after they are submitted.

**Break in service** (i.e., when students do not work during the summer or when an hourly wage employee has reached 1500 hours in an employment year). When an employee has a break in service, the direct deposit remains active. When the employee returns to work, paychecks will automatically be processed through direct deposit to the bank and bank account of record. Any time there is a break in service, an employee should be reminded upon return to work to contact the Payroll Office to ensure that the bank account and bank routing information is still current. Upon return from the break in service and when pay recommences, direct deposit will also start again using the bank routing and bank account information previously authorized. Based on this previous authorization, funds will be transmitted to the bank and bank account of record in the payroll system. If this information has changed during the employee’s break in service, pay may be transmitted to an incorrect bank or bank account and may delay pay. **When a full-time or hourly employee terminates employment, Direct Deposit is terminated after the last regular check or leave payout is processed.**

**PAYROLL SCHEDULE:**
The Payroll Schedule may be found on the Office of Finance website ([http://www.odu.edu/facultystaff/employeeservices/compensation/payroll/schedule](http://www.odu.edu/facultystaff/employeeservices/compensation/payroll/schedule)). A new schedule is posted for each calendar year. The Payroll Schedule shows important information and deadlines:

#### Managing the Payroll Process:

**BANNER WEB TIME ENTRY (WTE):**

The Banner Web Time and Leave Entry System is a web-based system designed to enable employees to submit hours worked and leave taken electronically, eliminating the paper submission of timesheets, time and attendance forms, leave activity forms, and leave reports. Old Dominion University follows a semi-monthly payroll schedule for paying all employees, including hourly types of employees.

**Employee Deadlines** - In order for an employee to be paid each pay period, it is critical that timesheets be submitted by the specified deadlines.
**Hourly Wage/Student Hourly Employees** – must submit timesheets to supervisors by 11:59pm on the last day worked in the pay period. REMINDER: Pay Periods for Hourly Wage/Student Hourly Employees = 1st – 15th (pay on the 1st); 16th – 31st or last day of the month (pay on the 16th)

**Salaried (including Classified) Employees** – must submit timesheets to supervisors by 11:59pm on the last day worked in the pay period. REMINDER: Pay Periods for Salaried Employees, including Classified Employees (and grad assistants for payroll periods) = 10th – 24th (pay on the 1st); 25th – 9th (pay on the 16th)

**OVERTIME PAY**

Non-exempt employees must physically work 40 hours during the specified work week to be eligible for overtime pay. If the pay period ends in the middle of the work week, the payroll system will add the hours from the work week in the previous pay period to the hours worked in the current pay period to determine if more than 40 hours were worked and automatically calculate the overtime pay. See instructions for entering additional hours worked for the specific employee type (hourly wage and classified non-exempt).

**Overtime Leave Balances:** Employees may not have an overtime leave balance in excess of 240 hours, unless the employee holds a non-exempt public safety position, in which case his or her overtime leave balance shall not exceed 480 hours. However, maintaining a maximum balance of 480 hours increases the agency’s liability. Employees whose overtime leave hours have reached the 240/480 hour limit must be compensated for the excess balance through the use of leave or the payment of leave hours until the overtime leave balance has been reduced to the allowable limit. **Overtime leave does not expire, but is subject to the maximum accrued limits as described in this paragraph.** Supervisors are responsible for ensuring that an employee’s overtime leave balance does not exceed 240/480 hours, as applicable. **Requests to payout excess overtime should be submitted to the Budget Unit Director for approval and forwarded to Human Resources Staffing and Operations Manager by the supervisor.**

**WTE SUBMISSION SCHEDULE:**

The WTE Submission Schedule may be found on the Office of Finance website ([http://www.odu.edu/facultystaff/employee-services/compensation/payroll/web-time-entry/calendar](http://www.odu.edu/facultystaff/employee-services/compensation/payroll/web-time-entry/calendar)), and contains dates for timesheet submission only. Refer to the Payroll Schedule for deadlines for hiring paperwork/EPAF action submission deadlines. A new schedule is posted for each calendar year. The WTE Submission Schedule shows important information and deadlines:

- Pay ID (PT – Part Time; FT – Full Time)
- Payroll Number (crosswalk to the Payroll Schedule for other deadlines)
- Pay Periods
- WTE Employee Deadline for WTE Timesheet submission
- WTE Approver Deadline for WTE Timesheet approval
- Pay Date

**COMPLETING & SUBMITTING WEB TIMESHEETS:**

Documentation & Quick Reference Guides for timesheet completion based on your job classification is available on the Office of Finance website under **Payroll: Web Time Entry** at the following link: [http://www.odu.edu/facultystaff/employee-services/compensation/payroll/web-time-entry](http://www.odu.edu/facultystaff/employee-services/compensation/payroll/web-time-entry)

**HOURLY (4021):** Hourly wage employees must complete a Web Timesheet containing the actual number of hours worked each day during the pay period. Enter all hours worked; when a full hour is not worked, the partial hour should be recorded in the Web Timesheet according to the reporting increments table – **See**
Reporting Increments section. If more than 40 hours were worked in a work week, the system calculates overtime automatically. **No automatic paycheck can be issued unless the Web Timesheet is submitted via Web Time Entry.** **Web Timesheets must be submitted on the last day worked in the pay period OR no later than 11:59pm on the deadline shown on the WTE submission schedule.**

Employees cannot use both, but must use one type, depending on how their department has been set up in Banner. The default for most departments is “pay.”

**Compensatory Leave Earned (CLE) – EXEMPT Employees:** ALL EXEMPT University Employees are prohibited from earning compensatory leave with the following exceptions:

- In unusual situations where, at the specific direction of the supervisor, an exempt employee works exceptionally long hours to meet the requirements of a critical or emergency situation, supervisors may credit compensatory leave.
- **Compensatory leave earned will be authorized only when it is essential for the effective management of the University. It will not be used to accomplish normal operating duties.**

**SUPERVISORS & PROXIES:** If you supervise hourly, student hourly or classified employees, you or your proxy are **required** to approve timesheets EACH pay period. When approving web timesheets, please review each individual timesheet to ensure employees have entered the correct number of hours and the correct earnings and leave codes.
Deadlines - Timesheets must be approved and submitted to Payroll by 10:00am on the first business day after the pay period ends.

- **Hourly Wage/Student Hourly Employees (4021 – 4025, 4028, 4029)** – This typically will be 10:00am on the 16th or 1st.
- ** Classified Employees (Exempt and Non-Exempt)** – This typically will be 10:00am on the 10th and the 25th.
- If these dates fall on a University holiday or weekend, timesheets will be due to Payroll by 10:00am on the next University work day.

A supervisor (approver) or a proxy can see an employee’s timesheet, reported hours, and leave balances in Leo. The supervisor can view employee information via My Team in the dashboard.

Timesheets Returned for Correction/Timesheets Changed - The Approver or Proxy must notify the employee when a timesheet is returned for correction. Speak directly with the employee or send them a brief email. The Approver or Proxy must notify the employee when he or she makes a change to the employee’s timesheet, and the approver must document the changes in the comment section of the timesheet, and must verify all hours entered and ensure any necessary corrections are made prior to approving the timesheet.

**DESIGNATING A PROXY:**
Supervisors are designated as the Approver in Banner. Supervisors are responsible for approving timesheets each pay period. In addition, supervisors are responsible for setting up Proxies who can approve timesheets in their absence.

- Approvers must set up at least one Proxy to approve timesheets in their absence.
  - A proxy assumes your approval power.
  - A proxy should be a full-time budgeted employee within your organization.
  - A proxy should be at a position level equal to or higher than your position.

- Neither Human Resources nor the Payroll Office can set up a proxy for an approver.
- The proxy must have been issued the same security set-up (budget codes and Employee types) as the Approver in order to approve time or leave.
- A proxy should ONLY approve time when requested to do so by the Primary Approver. Approvers must tell the Proxy which pay period(s) to approve.
- A proxy must never approve his/her own timesheet/leave report.
- No classified employee can approve leave for Administrative, Professional, or Instructional Faculty.
- An employee can be made a proxy for more than one approver.
- Approvers may add or delete Proxies at any time by using the Proxy Set-Up screen.

**IMPORTANT REMINDERS:**

- **Supervisory Changes** of any type must be communicated to the appropriate office immediately to ensure employees are paid on time. Failure to notify the appropriate office in a timely manner could result in employees not being able to access their timesheets or leave reports.

- **Supervisors Resigning** – HR (or E-IS Processing in the case of student employees) needs to know immediately who will be acting as the supervisor until a replacement is hired. *Proxy set-ups do not work when the Supervisor has terminated.*

- **New supervisors or new proxies** – must complete a *Computer Account Request Form* and indicate that they are a WTE Approver before they can act as an Approver in WTE; must be submitted to Human Resources who will approve the access and route the form to ITS for their action. Supervisors who do not have the proper security access jeopardize their employees’ access to WTE and this could result in employees not being paid timely.

- **Access to WTE** – All new employees have access to LeoOnline and WTE as soon as their employee record is created by Human Resources or E-IS Processing. No computer account is required for employees to enter their time, only internet access.

- **Late Timesheets**
  - If the employee fails to start or submit a timesheet, a Manual Timesheet for the employee type is required. If the department wishes the employee to be paid as scheduled - must also submit the Manual Paycheck Request Form ($50 fee). If no Manual Paycheck Request Form submitted, employee will be paid on the next scheduled pay date.
  - If the supervisor fails to approve on time: No manual timesheet required; No Manual Paycheck Request Form required; The supervisor is contacted by Payroll to ensure the timesheet is correct and the employee is paid on current payroll.

**MANUAL PAYCHECKS:**

Employees should NOT begin work before all hiring paperwork is submitted and processed by Human Resources. If correctly completed hiring paperwork is not submitted and approved by the published deadlines, no payroll record can be established, and employees cannot be paid. *No automatic manual paychecks will be processed due to late paperwork (including web timesheets)*; however, since we are reluctant to penalize employees for administrative departmental errors, we have developed a process to request a manual payroll check. *There is a $50 fee per check for processing the request.*

When departments wish to request a manual check, the *Manual Payroll Check Request Form* must be completed in its entirety. When requesting a manual payroll check, the appropriate back-up documentation must be attached to the *Manual Payroll Check Request Form*. If the required back-up documentation is not attached, the *Manual Payroll Check Request Form* will be returned to the department without action. Please hand-deliver these requests directly to a Payroll staff member in Room 2104 of Spong Hall. Do not leave these forms at the Human Resources’ Customer Services desk. The turnaround time for all manual payroll check requests is 24 hours.

The preparation of manual checks is costly, time-consuming, and circumvents all of the benefits and control features of a computerized payroll system. Processing a manual check involves three departments in the Office of Finance (Payroll Office, Accounts Payable, and General Accounting). *No automatic manual paychecks will be processed due to late paperwork.*

Payroll Manager:

Revised 02/08/2012
PAYCHECKS AND PAYDAY ISSUES:

DISTRIBUTION OF CHECKS: On payday, paychecks are sorted and bundled by check distribution organization codes and picked up by the mail room for distribution. Please review and verify that the address on your check distribution list is accurate. Inaccurate addresses (and the associated address codes) cause misdirected paychecks.

SECURING CHECKS: To ensure that departmental payroll checks are secure, departments should be doing the following - at a minimum:

• The check register shows all employees being paid on the specified payroll.
• When a department receives paychecks on payday along with the check register, compare the documents (checks) against the check register and place a check mark or other indicator next to each name on the check register for each paycheck delivered to ensure all are received. Make a copy of the check register and send the original (signed and dated) back to Payroll.
  o Employees on direct deposit – verify still active employees
• Ensure that the paychecks are kept in a secure and locked location at all times. Loss of these documents opens the University up to liability with regard to privacy issues and increased operating costs if stop payments and reissues need to be done to replace lost or missing paychecks.
• Ensure that all new hires are put on direct deposit upon hire. This is mandatory.
• When an employee picks up a paycheck, request that the employee show a valid University ID before relinquishing the paycheck, unless you personally know the individual. Additionally, an employee should sign and date the check register when picking up a check.
• It is preferable that employees physically pick up their paychecks, however for those paychecks that you have agreed to mail, document on the check register that the check was mailed and the date mailed. Additionally, ensure that the address listed on the paycheck is the correct mailing address of the individual. If this address is incorrect, insist that the employee notify the proper office of the correct address. For student hourly employees and Graduate Assistants, address changes should be sent to the E-1S Processing Office. For full-time faculty, classified, hourly, and part-time faculty, address changes should be sent to the Human Resources Office.
• Monitor the address change to ensure that it is processed. This will alleviate problems when the annual W2 forms are sent at calendar year-end and will also reduce the University’s operating costs.

Check Distribution Org Code:
The check distribution org code tells the mail room where to deliver paychecks. This information is listed as a check distribution organization code (CHECK DIST ORG) and will usually match the employee’s home department code. If an employee works in more than one department, all checks issued will be sent to one home check distribution organization instead of several departments. This code may not be the budget being charged, but does indicate where paychecks are delivered. Please review and verify that the address on your check distribution list is accurate. Inaccurate addresses (and the associated address codes) cause misdirected paychecks.

Check Distribution Org Corrections: Please review the address label information on the Check Distribution List and verify that the information is correct. Please send corrections via email to Jamaler Cooper at j2cooper@odu.edu. Please be sure to include the following information with any correction: mail drop, department name, building and room number.

Unclaimed Payroll Checks: Any unclaimed payroll checks should be returned to the Payroll Office 3 days after payday but no later than the next pay date. A note should be included letting us know something about the employee (i.e., are they still due the money or do you want the payment voided, has the employee resigned, and what efforts you have taken to disburse the paycheck). Do NOT hold old paychecks in your department – rather, you must return them to Payroll.

Payroll Distribution Report: Budget Unit Directors receive an automatically generated email each pay period. Budget Unit Directors use this report to verify that employees are authorized to be paid from the department’s budget(s), and may either review this report or forward it to the fiscal tech or budget manager for review. Questions about this report may be directed to Jamaler Cooper, Payroll Compliance & Student Employment Supervisor.

Paychecks Not Received by Department: If paychecks are not received at the appropriate check distribution location or if other payroll problems occur on payday, contact Ingrid Allen at 683.5346 for assistance.
Checks may not be received at the expected mail drop for a number of reasons, including the following:

- The paycheck may have been misdirected by the mail room or bundled incorrectly by the Payroll Office. If this occurs, by the end of the day the mail room will have corrected the problem and the check should arrive at the appropriate department. Call the Payroll Office to ensure that a check was processed for the pay period and, therefore, should have been received.
- An employee may work in two departments and the check was sent to another mail drop.
- No check was generated.
  - If the WTE timesheet was not submitted/approved by the deadline, no automatic manual paycheck is generated. The check will be provided to the employee when the appropriate manual timesheet is submitted.
- A paycheck is being held due to various reasons – please contact Payroll for assistance.

If paychecks are delivered to the wrong department, it is important to notify the Payroll Office as quickly as possible. PLEASE DO NOT hold the checks or return them by campus mail to the Payroll Office. The Payroll Office will provide instructions concerning how to handle the misdirected paychecks.

**PAY CORRECTIONS:**

**Overpayments:**
If you feel that an overpayment exists, contact the Payroll Office. Payroll documentation will be reviewed to see if an overpayment exists. If the employee is still employed, the overpayment will be collected from the next available paycheck. If the employee has been terminated, the employee will be billed for the overpayment. If an overpayment occurs, under no circumstances should the department recoup the overpayment amount (wages) directly from the employee. The Payroll Office should be contacted immediately in the event of an overpayment.

**Underpayments:**
If you feel an underpayment exists, contact the Payroll Office, so that a review of the E-1 and/or other payment documentation can be performed to determine that all paperwork is in order.

**FINANCIAL HARDSHIP ADVANCES:** An employee (FT faculty, classified, hourly only) requesting a financial hardship advance may be paid in advance for hours already worked. The employee requesting an advance should go to Payroll with a written request for a pay advance. Each request will be reviewed for validity and approved on a case-by-case basis. If the hardship advance is approved, the Payroll Office will process the pay advance and contact the employee once the paycheck is ready. Financial hardship advances are available to employees only once per 12-month period.

**SELECTED BENEFITS/DEDUCTIONS:** There are many state-provided benefits, which are provided to all full-time employees of the Commonwealth of Virginia. To see comprehensive information, please refer to the Benefits section of the Human Resources website: [http://www.odu.edu/facultystaff/employee-services/benefits](http://www.odu.edu/facultystaff/employee-services/benefits). Some of the benefits available to classified employees are shown below. **This is NOT a comprehensive list** - Refer to the Human Resources website for complete information.

**Health Insurance Benefits** - All full-time classified, faculty, and faculty administrative employees have a choice of health benefits plans. All choices offer a comprehensive range of benefits; however, each plan differs in the way in which it delivers services. Please refer to the source books and Benefits Guide for further detailed insurance information. All health insurance benefits are paid pre-tax. Section 125 of the Internal Revenue Code permits employees to pre-tax their portion of the health insurance premium. You do not pay federal income tax, state income tax or social security tax on the amount of your health care premium, and taxes are paid on the lower adjusted amount.

**Basic Group Life** - Old Dominion University provides group life insurance to all full-time employees on the first day of employment. The benefit is equal to your annual compensation rounded to the next highest thousand and then doubled. Any portion of the basic life insurance in excess of $50,000 is taxable and is added to your federal, state and FICA applicable gross income and is reportable on your W-2 Form (box 12 C). This will show on your pay stub as Imputed Life under Federally Taxed Benefits.
**LEAVE & OTHER SPECIAL CASES:**

**LEAVE WITHOUT PAY (LWOP):** This type of leave may be granted in emergency situations when all other types of leave have been exhausted or when you are not eligible for other types of leave. Refer to page 25 of the Classified Employee Guidebook, 2014: [https://www.odu.edu/content/dam/odu/offices/human-resources/docs/classified-employee-handbook.pdf](https://www.odu.edu/content/dam/odu/offices/human-resources/docs/classified-employee-handbook.pdf)

If you are considering leave without pay, you should discuss the situation with your supervisor. You need to write a letter to your supervisor stating the length of absence, the date you plan to leave and return, and whether you will return to the same position. You will also need to review your leave balances with the Payroll Office or on LeoOnline/Employees and determine whether you wish to retain them. All leaves without pay must be pre-approved by Human Resources. Please Note: All international employees requesting leave without pay must be referred to the VISA office. Departments must notify the VISA office of any international employees requesting leave without pay.

There are two types of leave without pay used by the University:

- **Unconditional Leave Without Pay** - Employees placed on unconditional leave are guaranteed the right to return to their former positions at the conclusion of the absence.
- **Conditional Leave Without Pay** - Employees are not guaranteed the right to return to their former positions, and departments may fill the positions as they determine the need.

The Family and Medical Leave Act Policy guarantees eligible employees 12 weeks of job-protected leave for certain reasons. Please refer to the section on Family and Medical Leave in the Classified Employee Guidebook, 2014.

- If you take leave without pay for personal reasons, you can continue to get health insurance benefits by paying the group premiums, both the employer and employee portions.
- If you take leave without pay to take care of a family member covered by Family and Medical Leave, you only pay your employee portion of the health insurance premiums.
- If you take leave without pay for illness, you can still receive single coverage or family coverage at your usual rate if a physician approves the leave for medical reasons.
- Continued health insurance coverage is not automatic unless the FMLA applies.
- You can continue your health insurance coverage by stating in your leave request letter that you wish to keep continuous coverage.
- Depending upon the type of leave without pay you request, Old Dominion University will continue to pay the employer portion of the premiums and you must submit payments for your portion of the monthly cost.
- Please contact Human Resources about other available benefits coverage while on leave without pay.

**Note: No leave of any type accrues during a leave without pay.**

It is very important for the department to notify Human Resources as soon as it is known that an employee will be out for an extended period of time. The University wants to avoid overpayment of wages to an employee who does not have a sufficient amount of accrued leave to cover the loss of time. Also, decisions need to be made to ensure that the employee's benefits continue according to the employee's wishes. Please contact Human Resources to discuss what documentation is required during a leave without pay.

**LEAVE PAY OUTS:** When classified employees leave the University, they may be entitled to be paid for accrued leave. The accrued leave for terminating employees is calculated by the Payroll Office and includes:

- All annual leave accrued, **provided** it does not exceed the maximum amount allowed to be carried on the books according to state policy.
- All compensatory, recognition, flex holiday leave, and overtime leave accrued.
- For classified employees under the old accrual sick leave policy with 5 or more continuous years of service, 25% of sick leave accrued, up to a maximum of $5,000.
- For classified employees under VSDP who have disability credits available, with 5 or more continuous years of service, 25% of credits, up to a maximum of $5,000.

If an employee terminates employment between pay periods or some other situation creates an overpayment to an employee, the leave payout will be reduced by the overpayment amount. Employee leave payouts are processed the pay period after the last regular pay check is issued. Leave payout checks are direct deposited to the employee’s bank account.
DEBTS TO THE UNIVERSITY: Employees are required to pay any debts owed to Old Dominion University in a timely manner. As a condition of employment, new hires are required to sign a statement authorizing the deduction from any amounts due them to pay off debts. Employees who resign with unpaid debts to the University may also have their leave payouts reduced to cover the debts. The Payroll Office will notify employees if these actions are taken. Administrative debt set-off may also apply against state taxes.

GARNISHMENTS & LEINS: Tax liens and garnishments must be honored in accordance with the state garnishment law and the Federal Wage Garnishment Act. A garnishment or lien is the result of a legal procedure through which part of an employee's salary is required to be withheld for the payment of a debt. Federal and state laws prohibit the discharge of any employee because his or her earnings have been subjected to garnishment for any indebtedness. In accordance with current law, a fee is charged to the employee for the costs associated with the collection and disbursement of garnishments, tax liens, and child support orders. The fees apply to both full and part time employees. *(Excerpted from the Classified Employee Handbook, 2014.)*

When a garnishment order is issued by the court, both the employee and the University are served with a garnishment summons. The Payroll Office notifies the employee in writing that a summons has been received and that pay will be garnished beginning with the next pay period. The University is required to withhold pay as outlined by the garnishment summons. Failure to withhold as ordered by the garnishment summons can result in the University facing court action for failure to respond. Questions regarding specific withholding amounts should be directed to the payroll processor responsible for your section of the alphabet.

**Fees on Garnishments, Support Orders, and Tax Liens**
- Garnishment and tax lien fees are deducted once, immediately upon receipt of each new or reissued garnishment or tax lien.
- Child support fees must be deducted from your paycheck each time a child support deduction is withheld and remitted.

**Taxability of Graduate Educational Aid** - Section 127 of the Internal Revenue Code states an employer provides nontaxable graduate educational assistance to employees. Spouse/dependent graduate tuition benefits are all taxable. The tax benefits are listed on your online paystub as “Tuition” once each semester: fall and spring. Federal, state, and FICA (OASDI and HI) taxes are withheld from these benefit amounts.

**TIME LOSSES:**
- You incur a time loss: When you are on unauthorized leave (absent without permission); **OR** have insufficient leave balances to cover the absence.
- When you incur a time loss: You do not accrue either annual or sick leave (if on accrual system) for the pay period in which the time loss occurred, **AND** your pay check will be reduced by the number of hours of the time loss.
- A continuing pattern of unpaid absences should result in the supervisor taking appropriate corrective action.

**REPORTING INCREMENTS:** When a full hour is not worked or claimed, the partial hour should be recorded into Web Timesheets/Leave Reports according to the ODU standard reporting increments found in the table below.

* Do not confuse this leave without pay with Educational Leave as shown above.  
** Eligible for service credit, provided agency certifies that employee was on approved leave.  
*** According to the Family Medical Leave Act, coverage may continue up to 12 weeks with state contribution. The 12-week period may be included under the 12 months allowed for leave without pay–illness.  

Note: Leave without pay does not constitute termination, so an employee cannot get a refund of retirement contributions.  
Note: Employees who go on leave without pay may remain in the active health benefits group as outlined above; however, if their leave is extended beyond this period of time, they may convert to non-group coverage within 31 days of loss of eligibility for coverage in the active group. If employees terminate prior to the end of the leave period for which coverage may be continued, extended coverage will be offered to enrollees.
**PAYROLL REPORTS (ePrint):**

Banner is the official record of payroll expenditures, but the information could be incomplete if there are interface problems. Payroll expenditures should be reconciled each month. Hard-copy Banner payroll reports are no longer distributed each month. Payroll reports are available via ePrint for those with the appropriate access. Access to departmental payroll reports must be requested separately. The ePrint Payroll Report Request Form must be completed and sent to the Finance Systems Manager, Data Control, Office of Finance.

http://www.odu.edu/content/dam/odu/offices/finance-office/data/payroll-eprint-request.pdf

Payroll reports contain information by Budget Unit, sub-account, payroll number, employee name, and amount for each payroll. If you need information about EPrint, please send an email to the Banner Hotline at bannerhotline@odu.edu. NOTE: there is training available regarding use and navigation of Banner ePrint.

**MONITORING WAGE EXPENDITURES:** Departments should develop a mechanism for monitoring and tracking wages throughout the year. The Budget Office monitors the wage employee dollars as they are spent and will contact you if you exceed budgeted amounts. Tracking wage expenditures are important for a variety of reasons:

- Departments are responsible for tracking hourly wage expenditures
- Departments must ensure that there are sufficient wages throughout employment
- Recoup unused funds
- Avoid deficits
- Ensure that hourly wage employees do not work more than 1500 hours in an employment year (remember, hours worked for other departments must be included in this total) – Effective May 1, 2013, all wage employees in all branches of state government are limited to working no more than 29 hours per week on average over the course of twelve months.
  - Emails are sent to the supervisors of hourly wage employees on the 15th of the month stating the number of hours an hourly employee has worked toward the 1500 hour limit.

**PAYROLL REPORT MOCK-UP – Payroll reports are broken down by budget code, sub-object code, and employee.**

W-2 ISSUES:
W-2 forms are made available/mailed to the most recent permanent address on file no later than January 31 of each year. If January 31 falls on a Saturday, Sunday, or business holiday the deadline is the next business day. Therefore, **it is very important that employee addresses be updated on the payroll system by the end of the calendar year** to ensure that W-2’s are received in a timely manner.
The accuracy of social security numbers is essential. If the social security name and social security number for each employee is not correct, the University may owe a penalty. The University is required to record an employee’s name and social security number exactly as it is shown on the social security card issued to the employee. If an employee’s name changes for any reason (i.e., divorce or marriage), the employee must request a new card from the Social Security Administration. ODU will continue to use the employee’s old name until a copy of the new social security card is provided showing a new name. Paychecks contain only the UIN (University Identification Number). The University no longer prints Direct Deposit stubs. Online pay stubs contain the UIN only. Employees may review pay information via LeoOnline. If you do not receive a W-2 by February 15, please contact the Payroll Office to request a duplicate.

**ELECTRONIC W-2 FORMS**
- You can choose to receive your W-2 electronically via LeoOnline. **NOTE: most employees select this option!**
- By consenting to electronic W-2s, you no longer need to wait for your W-2 to be delivered via snail mail.
- If you need a copy, you will not need to fill out paperwork to get copies of your W-2 from Payroll, which means no 24-hour delay for the required turnaround time.
- You must give us your consent to receive your tax form electronically. Once you provide consent, you do NOT have to provide it again.
- The deadline to provide consent to receive calendar year electronic W-2 forms is provided each year.

**ALREADY PROVIDED YOUR CONSENT? NO ACTION IS REQUIRED.** Unless you wish to rescind your consent to receive electronic W-2 forms, no action is required. Your consent remains active until you revoke your consent.

**DON’T PROVIDE CONSENT?** If you have chosen not to receive your W-2 electronically, your W-2 will be mailed to the home address on file on or before January 31.

**NEED TO GIVE YOUR CONSENT TO RECEIVE YOUR W-2 ELECTRONICALLY?** To consent to receive your W-2 electronically, you must do so in LeoOnline.
1. Log in to the secure area of LeoOnline (www.leoonline.odu.edu)
2. Select Employee
3. Select Tax Forms
4. Select Electronic W-2 Consent
5. Read that page, Employee Instructions, Notice to Employees, Printing Instructions (available at the bottom of the Electronic W-2 Consent page)
6. Check the box to consent to receive your W-2 electronically
7. Click Submit
8. You are done (you will not see any confirmation message)

**To Verify You Have Successfully Made Your Selection** - There is no confirmation message received that you have successfully consented. Simply scroll down to see that the “My Choice” box is checked. If the box is checked, you have successfully consented to receive your W-2 electronically.

**HOW DO YOU KNOW YOUR W-2 IS AVAILABLE ELECTRONICALLY?** You will be notified via email and/or University Announcement when your calendar year W-2 is available for you to print. **W-2 forms are normally available sometime between January 24 and January 31.**

**W-2 FORMS FOR TERMINATED EMPLOYEES AND THOSE WHO CHOOSE NOT TO RECEIVE W-2 ELECTRONICALLY** - W-2 forms for terminated employees and those who do not provide electronic consent will be mailed to the home address on file on or before January 31.
