

STUDY ABROAD FOR GRADUATE STUDENTS

Hello,

My name is Eric White and I am the new Graduate Assistant at the Office of Graduate Studies. I recently completed my undergraduate degree here at Old Dominion University in International Business and am now a first-year graduate student in the master's of arts in Economics program. I am beyond excited to be a part of ODU's graduate community. I look forward to keeping everybody informed and up to date with what is important and exciting relating to graduate students and Graduate Studies. If there is something or someone you would like us to highlight, please let me know. Your suggestions and feedback makes this a better newsletter for everyone. Best of luck in this semester and all those to come!

Cheers,

Eric White
