Xerox® Phaser® 6010 Color Printer and WorkCentre® 6015 Color Multifunction Printer
Vibrant color and efficiency in a compact design
Phaser® 6010 Color Printer and WorkCentre® 6015 Color Multifunction Printer

Xerox makes outstanding color the easy, affordable choice with the Phaser 6010 and WorkCentre 6015. Our smallest color MFP* and even smaller printer are powerful, office-friendly products for your team’s document handling demands.

Outstanding color

- **High-end print technology.** The proven Hi-Q LED print engine is the same breakthrough technology found in some of our higher-end devices used by graphic artists.

- **Impressive color depth.** Both devices deliver amazing colors and impressive image quality for effective business graphics.

- **Unique Xerox EA toner technology.** Engineered to give you crisp text and printed images with superior gloss, detail and clarity. Plus, a low fusing temperature helps you conserve electricity. It’s the same high-quality toner used in our high-end products for the graphic arts industry.

Productive performance

- **Multifunction productivity.** The space saving WorkCentre 6015 multifunction printer saves energy and supplies costs by combining the functions of a copier, printer, scanner, and fax — all in one device.

- **Print graphics with confidence.** With ultra-fast processors and 128 MB standard memory, they handle your daily workload — even pages with graphics, photos and charts.

- **Affordability.** Whether you choose USB or network connectivity, the Phaser 6010 and WorkCentre 6015 mean business for your desktop or small team, providing real-world print productivity and a host of built-in features.

- **Superior performance.** Get your projects out fast, with print speeds as fast as 12 ppm for color and 15 ppm for black-and-white.

Easy in the office and easy on the network

- **Up and printing in a snap.** Easy installation onto the network and pre-loaded toner cartridges make this printer virtually plug-and-play.

- **Wireless freedom.** Place the WorkCentre 6015NI anywhere in the office with standard, internal wireless networking.

- **Easy remote management.** When connected to the network, the CentreWare® IS internal web server lets you check the status of a print job or manage the device without leaving your computer.

- **Super-quiet operation.** Feel comfortable with these products operating at your side. Their low noise output reduces distractions, so you can stay productive.

- **Convenient supplies.** Save time and storage space with the easy-loading and ultra-slim toner cartridges used in both the printer and MFP.

- **Media flexibility.** The main paper tray supports a wide range of custom media and sizes, from labels to card-stock to envelopes. A convenient 10-sheet manual feed slot lets you feed media and envelopes easily.

* When in a closed state compared to letter-size color multifunction printer products utilizing toner-based print technology as of June 2011.
Brilliant color and efficiency at your fingertips. The WorkCentre 6015 color multifunction printer adds powerful productivity features to the office-friendly Phaser 6010. Produce professional-grade materials and free up space by consolidating several office machines into a single, cost-saving color multifunction printer.

1 The internal wireless card comes standard on the 6015NI, providing the freedom to locate the machine anywhere in the office.

2 Easily configure settings with the bright, back-lit LCD screen’s intuitive menu structure and the front panel’s well placed buttons.

3 The 15-sheet automatic document feeder helps process multiple page documents on media sizes from 5.83 x 8.27 in. to 8.5 x 14 in.

4 The front-side USB port allows users to quickly scan to any standard portable USB memory device.

5 Powerful scanning features include Scan to Network, Email or USB memory device with resolution up to 1200 x 1200 dpi, 24-bit color / 8-bit grayscale.

6 Copy features include reduce/enlarge of 25% – 400%, Automatic Background Suppression, ID Card Copy and many others.

7 Packed with the most common fax capabilities at a speed of 33.6 Kbps.
