Financial Aid Checklist

This Financial Aid Checklist details actions you are required to take, including those required for disbursement of financial aid funds to your student bill.

- Complete the Free Application for Federal Student Aid (FAFSA) online at: [http://www.fafsa.ed.gov](http://www.fafsa.ed.gov)
  The FAFSA becomes available on October 1. Students must complete the FAFSA each academic year.

- Be accepted in a degree program at ODU
  Students who are enrolled at Old Dominion University on a non-degree basis are not eligible for financial aid. Exceptions are made for students accepted in the Teacher Licensure Program that meet the requirements to be considered eligible for financial aid. Additional documentation is needed. [https://www.odu.edu/tuition-aid/financial-aid/graduate/non-degree-teacher-certification](https://www.odu.edu/tuition-aid/financial-aid/graduate/non-degree-teacher-certification)

- Activate your ODU e-mail account and check your email account frequently. E-mail is an official method for communication at ODU. Students are responsible for reading University-related communications in a timely manner.

- Access and accept your award offer online.
  Award notifications/offer will be posted for acceptance via LEO ONLINE.
  Failure to review and accept financial aid offers via LEO Online may result in cancellation of your Federal and/or state awards. Email notification will be sent to your odu e-mail account when the aid offer is available for review.
  All notifications are based on full-time enrollment. If you will not enroll full-time, an aid adjustment change form will be required. Students must be enrolled at least half time (6 or more credits for undergraduate and 4 or more credits for graduate students) to be considered for most aid. - Submit an Aid Adjustment Form if you have any of the following to report:
  - Financial aid awards not listed on your aid offer including scholarships awarded by other ODU departments or outside agencies,
  - Enrollment status changes (if you will not enroll full-time),
  - December graduation plans (federal loans must be prorated per regulations) *

If any changes to your financial aid awards are required, a revised aid offer notification may be requested.

*Loans will be prorated for students who fail to notify financial aid of December graduation plan and repayment of funds may be required.
Submit Required Forms by June 1
- Submit copies of all VERIFICATION documents needed by June 1, in order for aid to be disbursed by tuition deadline.
- Submit copies of all other requested documents (proof of citizenship, social security, etc.) as soon as possible after requested on LEO Online.

Complete online loan processing requirements
- After accepting a federal loan, you may be required to complete additional documentation for loan processing.

Complete a Federal Direct PLUS Loan Request form (optional).
If you are a classified as a “dependent” student by the FAFSA and need additional funds, your parent may request a Federal Direct PLUS Loan at studentloans.gov.
- In addition, parents applying for the PLUS loan will also need to submit a PLUS data sheet https://www.odu.edu/tuition-aid/financial-aid/parents to the ODU financial aid office.

Estimate your out-of-pocket expenses by using the tuition calculator.
