## What's Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year for group policies issued in Missouri, North Dakota and Colorado) of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Missouri and North Dakota. If the group policy was issued in Massachusetts, the suicide exclusion does not apply to dependent life coverage. The suicide exclusion does not apply to residents of Washington, or to individuals covered under a group policy issued in Washington.

Please note that a reduction schedule may apply. Please see your employer or certificate for specific details.

**Accidental Death & Dismemberment (AD&D) coverage is a coverage separate and apart from your Basic and Supplemental Life insurance coverage and helps protect you 24 hours a day, 365 days a year.**

## Accidental Death & Dismemberment Coverage Options

This coverage provides benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

### Voluntary AD&D Coverage Amounts for You:

### Voluntary AD&D Coverage Amounts for Spouse and Child(ren):

- You can choose to cover your dependent Spouse and child(ren) with AD&D coverage. Your dependents will be eligible for the following coverage:
- Dependent Spouse and Child(ren):**

## Life Insurance

### Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount. **Standard Additional**

### Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

### What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot; committing or trying to commit a felony; any poison, fumes or gas, voluntarily taken, administered or absorbed; service in the armed forces of any country or international authority, except the United States National Guard; operating, learning to operate, or serving as a member of a crew of an aircraft; while in any aircraft for the purpose of descent from such aircraft while in flight (except for self-preservation); or operating a vehicle or device while intoxicated as defined by the laws of the jurisdiction in which the accident occurs.
