

*Project Creating Teams of Educators  
to Build the Literacy Skills of English  
Learners with and without Disabilities*

**Principal Recommendation**

*The purpose of the grant project is to provide a high-quality professional development program to prepare teams of three or more educators, administrators, and specialists in Virginia’s high-need elementary schools to improve the assessment, identification, and literacy skill instruction of English learners with and without disabilities.*

I recommend (teacher name) \_\_\_\_\_ for participation in Project Creating Teams of Educators to Build the Literacy Skills of English Learners with and without Disabilities. She/He is the Teacher of Record of a classroom, grade \_\_\_\_\_, in our school. This teacher will have English Language Learners in her classroom for at least the next two years.
