/// NAMING OPPORTUNITIES ///

FORWARD
FOCUSED. 
FOR DREAMS AND BEYOND

OLD DOMINION
UNIVERSITY

2ND FLOOR STUDY

The College of Health Sciences is committed to excellence and innovation in education, research, and service. The college prepares outstanding health professionals for workforce needs in the region and conducts research for the advancement of health and wellness at this critical time in the Commonwealth of Virginia, the nation, and the world. The college has established national and international prominence in our core disciplines through research and the preparation of outstanding health and public health professionals who are leaders in their disciplines and communities.

NAMING OPPORTUNITIES

The new Health Sciences building will allow the University to greatly increase educational offerings as well as healthcare options to citizens of Hampton Roads. **The 3-story building will be the home of the Sofia and David Konikoff Dental Hygiene Care Facility and the future Faschini Wallach Center for Restorative Therapies, in addition to state-of-the-art research and teaching laboratories.** The opportunity to name the building is available for a gift of \$15,000,000.

The building is a testament to our commitment to excellence and innovation in education, research, and service. About 2,700 health sciences students will use it throughout their collegiate experience. The first floor will also have space to host large events for the college as well as our community. To date, \$3,175,000 has been raised toward naming opportunities for the new building.
