

MATLAB: Register for a MathWorks Account

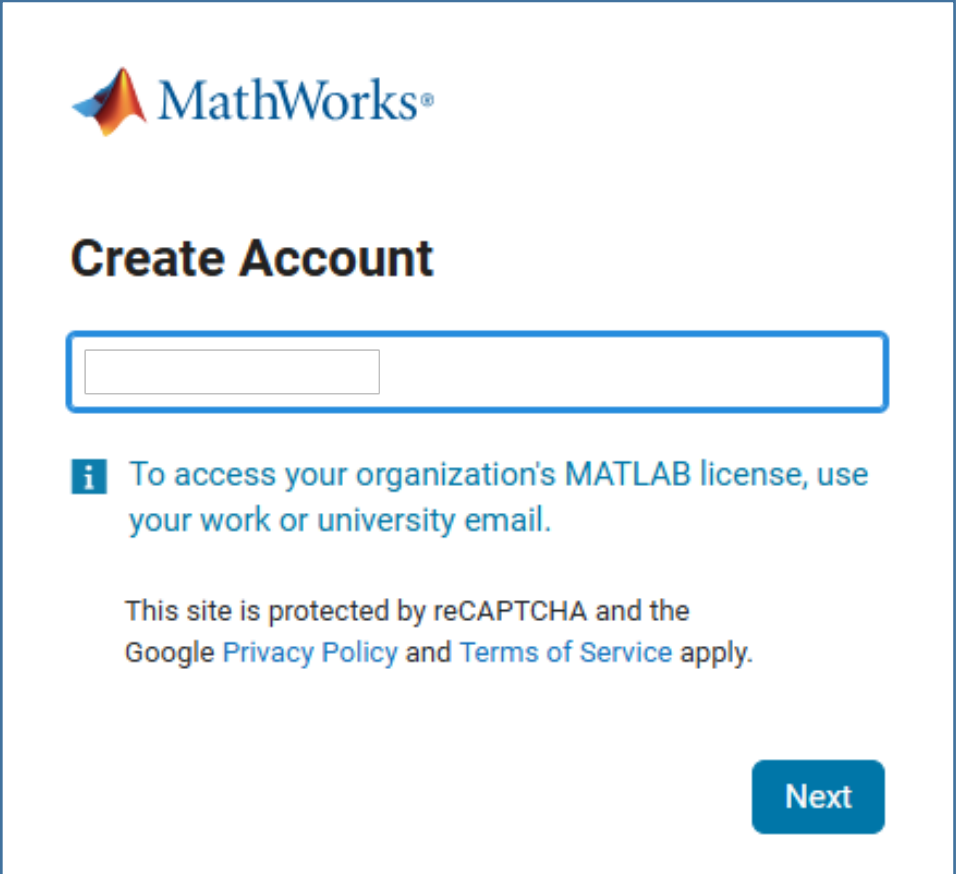

In order to use MATLAB at ODU (in ODU computer labs), you need to register for a free MathWorks account:

1. **Go to the MathWorks accounts creation website:**

Visit www.mathworks.com/mwaccount/account/create

2. **Enter your ODU email address:**

Use your ODU email address ending with @odu.edu, as this is required for accessing MATLAB licenses or MathWorks resources. (Note: The MathWorks account is not connected to your MIDAS account.)

3. **Create a password:**

Choose a strong password that meets MathWorks' requirements.

The screenshot shows the MathWorks account creation interface. At the top left is the MathWorks logo. Below it is a back arrow and a text input field containing a redacted email address followed by '@odu.edu'. The main heading is 'Create Account'. There are two password input fields: the first is highlighted with a green border and contains a redacted password, and the second is highlighted with a red border and is labeled 'Confirm Password'. Between these fields is a list of password requirements, each with a green checkmark: '8-50 characters', 'at least one uppercase letter', 'at least one lowercase letter', and 'at least one number'. A blue 'Next' button is located at the bottom right of the form area.

4. **Agree to the terms:**

Review and accept the MathWorks Online Services Agreement or similar terms.

5. **Verify your email:**

Check your email for a verification message from MathWorks. Click the verification link or enter the verification code provided.
