Crime Data: Safety and Security

Jeanne Clery Disclosure

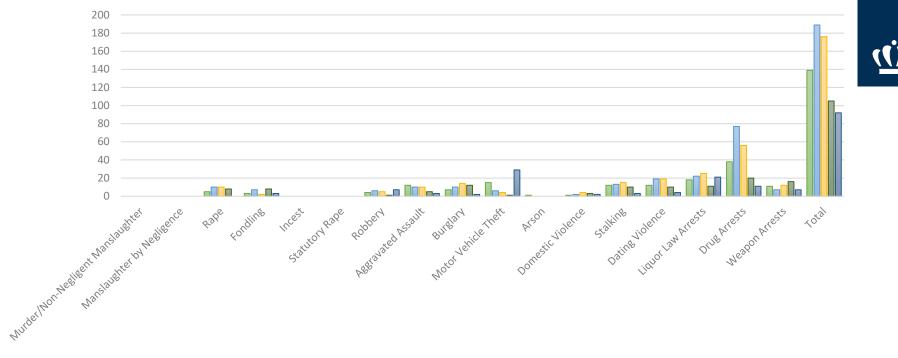

- Postsecondary institutions that participate in Federal Financial Aid programs are required to maintain and publish crime statistics, fire statistics, publish an Annual Security Report, and notify the campus community when needed as delineated by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).
- The location; whether on campus, in a residence hall, on non campus property, or on public property (i.e. sidewalks, parks, streets, etc.) must be properly defined. Additionally, the type of crime must be properly labeled to coincide with Clery crime definitions.
- Clery definitions may vary from the Virginia Criminal Code; therefore the statistics provided for Clery compliance may vary from the University's statistics for the Uniform Crime Report which is submitted yearly to the Virginia State Police.
