Crime Data: Safety and Security

Jeanne Clery Disclosure

- Postsecondary institutions that participate in Federal Financial Aid programs are required to maintain and publish crime statistics, fire statistics, publish an Annual Security Report, and notify the campus community when needed as delineated by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act).
- The location; whether on campus, in a residence hall, on non campus property, or on public property (i.e. sidewalks, parks, streets, etc.) must be properly defined. Additionally, the type of crime must be properly labeled to coincide with Clery crime definitions.
- Clery definitions may vary from the Virginia Criminal Code; therefore the statistics provided for Clery compliance may vary from the University's statistics for the Uniform Crime Report which is submitted yearly to the Virginia State Police.

Total	\$19,400,000	\$57,900,000	\$21,000,000	\$22,000,000	95%

Effective – September 11, 2017

Notes: Rounded to nearest 1,000. Total giving includes the sum total of all contributions (pledges, gifts, expectancies, and pledge potentials) made by all the constituents towards educational and athletic foundations. Total giving is the central measure of success for every fundraising activity. Giving is constantly monitored and tracked. This measure helps us to strategize our moves/plans to reach our goals. The goal is to raise 10% more than the total of the average of the last three years. FY is fiscal year (July 01-June 30). YTD is year-to-date.

Planned Giving: Educational and Athletic Foundation

FY 2016	FY 2017	FY-YTD 2018 Goal		Progress
\$5,600,000	\$4,900,000	\$760,000	\$6,500,000	12%

Effective – September 11, 2017

Notes: Planned giving is an area of fundraising that refers to specific gift types that can be funded with cash, equity, or property. Planned gifts are gifts that require more planning, negotiation and counsel than many other gifts. This program involves several layers of marketing and planning with a focus on future cash flow for the University. The dollars raised through this program is an effective measure of the success of our marketing and other fundraising efforts. The goal for Planned Giving is a quarter of the goal for Total Giving.

Total	\$480,000	\$619,000	\$132,000	\$750,000	18%

Effective – September 11, 2017

Notes: Rounded to nearest 1,000. Annual giving is an organized effort to obtain gifts on a yearly basis to support the general operations of ODU. Annual giving is the building block for all fund raising. It helps establish a base of donors that can serve as an effective foundation to involve, inform, and bond a constituency to the organization. For Annual giving the goal is set at a 10% increase in the average of the last three years.

Foundation	FY 2016	FY 2017	FY-YTD 2018	Goal	Progress
Educational Foundation	5,391	4,447	658	5,500	12%

Effective – September 11, 2017

Notes: Donor counts is the number of constituents who made contributions in a specific fiscal year, irrespective of the size and the number of donations. Donor counts provide the base for our fundraising efforts. Our goal is a 10% increase in the average of the last three years.

Notes:

1-The NCAA developed the Academic Progress Report (APR) to track a university's commitment to enhancing the student-athlete's potential of earning their undergraduate degree. The APR provides a "real time" snapshot of a Division I team's eligibility and retention success, (the APR pertains only to student-athletes who are receiving an athletic scholarship).

2-The NCAA has set a minimum APR standard for each athletic program. This standard is calculated by averaging a sport program's eligibility and retention points for the last 4 years. Each sport must maintain or exceed the minimum standard. (The minimum APR standard is 930.)

3-The men's programs met or exceeded APR standards for post-season eligibility and therefore did not have to serve any penalties.
