TRANSFORM LEARNING IN YOUR CLASSROOM

This program is designed for practicing teachers who wish to improve and update their professional competency in teaching and to enrich their teaching expertise. Practicing teachers completing the program enhance their ability to teach effectively and to conduct powerful practitioner research and investigations that have a direct impact on their individual practice and school settings.

- Take courses in a wide array of areas, including assessment, teaching ELL students, teacher leadership, curriculum, and diversity
- Cohort-based program
- 18-month program
- Online classes available*

LEARNING ENVIRONMENT

ODU's Elementary and Secondary concentrations are offered completely online.* Early Childhood concentration is a combination of both online and on-campus courses. You'll have opportunities for interaction and networking in your online courses!
