*The four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works. Students in the Park and Recreation Management concentration are also required to complete the following; (1) Wilderness First Aid Certification, (2) Climbing Site Belay Certification, and (3) Certified Park and Recreation Professional Training.
