PRTS 366	1		
PRTS 482W	3		
PRTS 470	3		
PSYC 405	3		
		13	12

Total credit hours: 120

*The four-year plan is a suggested curriculum to complete this degree program in four years. It is just one of several plans that will work and is presented only as broad guidance to students. Each student is strongly encouraged to develop a customized plan in consultation with their academic advisor. Additional information can also be found in Degree Works. Students in the Recreational Therapy concentration are also required to complete 40 hours shadowing a Certified Therapeutic Recreation Specialist (CTRS), approved by faculty.
